EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

Item no. 4:

Smt. S. Karpagam was appointed as an Additional Director in the Board Meeting held on 3rd October, 2022, in accordance with the provisions of Section 152, 161, 196, 203 and Rule 8 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules 2014 read with Schedule V of the Companies Act, 2013, and the Articles of Association of the Company. Pursuant to Section 161 of the Companies Act, 2013, the above director can hold office only up to the date of the ensuing Annual General Meeting of the Company. Further, in the same meeting i.e. meeting held on 3rd October, 2022 the Board appointed Smt. S. Karpagam as the Managing Director of the Company, with immediate effect, for a period of one year subject to the approval of the shareholders.

Smt. S. Karpagam is not disqualified from being appointed as Director in terms of Section 164 of Companies Act, 2013 and has given her consent to act as Director. The Nomination & Remuneration Committee and the Board have completed a formal annual evaluation of her performance based on the evaluation criteria as set in the Nomination and Remuneration Policy of the Company.

The Board is of the opinion that the appointment and presence of Smt. S. Karpagam on the Board as the Managing Director will be desirable, beneficial and in the best interest of the Company. The Board recommends the resolution set out in item no. 4 of the accompanying Notice for approval and adoption of the Members.

None of the Directors/Key Managerial Personnel of the Company/their relatives, except Smt. S. Karpagam herself, is in any way concerned or interested, in the said resolution. The Board recommends the said resolution to be passed as an ordinary resolution.

Item no. 5:

Mr. Sanjay Pote (DIN: 08085505) was appointed as an Additional Director in the Board Meeting held on 12.05.2023, in accordance with the provisions of Section 161 of the Companies Act, 2013, read with the Articles of Association of the Company, Pursuant to Section 161 of the Companies Act,

2013, the above director holds office only up to the date of the ensuing Annual General Meeting of the Company. Mr. Sanjay Pote is not disqualified from being appointed as Director in terms of Section 164 of Companies Act, 2013 and has given his consent to act as Director.

The Board is of the view that the appointment of Mr. Sanjay Pote as Director is desirable and would be beneficial to the Company and hence it recommends the said Resolution No. 5 for approval by the members of the Company.

None of the Directors/Key Managerial Personnel of the Company/their relatives, except Mr. Sanjay Pote himself, is in any way concerned or interested, in the said resolution. The Board recommends the said resolution to be passed as an ordinary resolution.

BOARD'S REPORT

To
The Members of
IFCI Financial Services Limited

The Board of Directors of your Company presents the 28th Annual Report of IFCI Financial Services Limited, together with the Audited Financial Statement, for the year ended March 31, 2023.

1. Financial Results

(Rs. in lakh)

Particulars	Standalone		Consolidated	
	31.03.2023	31.03.2022	31.03.2023	31.03.2022
Operating Results:				
Income from Operations	1355.74	1685.40	1497.55	1832.08
Other Income	238.06	401.35	271.32	450.81
Gross Income	1593.80	2086.75	1768.87	2282.89
Gross Expenditure	1681.96	1809.43	1874.32	2022.18
Profit/ (Loss) before Exceptional item, Interest, Depreciation and Tax	(88.16)	277.32	(105.45)	260.71
Less: Interest & BG Charges	0.51	9.67	2.11	10.35
Profit/(Loss) before Exceptional Item, Depreciation and Tax	(88.67)	267.65	(107.56)	250.36
Less: Depreciation	16.53	9.67	18.29	12.88
Profit before Exceptional item and tax	(105.20)	257.98	(125.85)	237.48
Less:				
Impairment on financial Instrument	39.39	150.98	50.84	152.81
Impairment of Investment in Subsidiary Companies	237.69	-	-	-
Profit before Tax	(382.28)	107.00	(176.69)	84.67
Less: Taxes	-	-	(6.03)	12.62
Profit after tax	(382.28)	107.00	(170.66)	72.05
Other Comprehensive Income	(47.08)	28.14	(51.77)	32.65
Total Comprehensive Income	(429.36)	135.14	(222.43)	104.70

2. Financial Performance

Operating Income of IFIN had decreased to Rs.13.56 Crore during FY 2022-23 from Rs.16.85 crore during FY 2021-22. Other Income also decreased to Rs.2.38 crore in FY 2022-23 from Rs.4.01 crore in FY 2021-22. Thus, the total income during FY 2022-23 at Rs.15.94 crore was 24% lesser than the total income of Rs.20.87 crore during the corresponding previous year of FY 2021-22. Out of Total expenses, Employee Cost slightly decreased to Rs.7.45 crore in FY 2022-23 from Rs.7.53 crore in 2021-22, mainly due to reductions in the manpower count. Depreciation and Amortization Expense increased to Rs.16.53 lakh in FY 2022-23 from Rs.9.67 lakh in FY 2021-22. However, Finance Cost substantially decreased to Rs.0.51 lakh in FY 2022-23 from Rs.9.67 lakh in FY 2021-22. Other Expenses were increased as the previous year at Rs.4.37 crore in FY 2021-22 as compared to Rs.4.58 crore in FY 2022-23. During the year Impairment of financial Instrument provided for Rs. 0.39 Crore mainly consists of Mr. Ekambaram receivables of Rs. 0.26 Crore. And also Impairment of Investment in Subsidiary Companies provided for Rs.2.38 Crore. After taking into account the above, there was a deficit of income over expenditure of Rs.3.82 crore in FY 2022-23 as compared to excess of income over expenditure of Rs.1.07 crore in FY 2021-22. The company earned a Loss after tax of Rs.3.82 crore during FY 2022-23 as compared to the profit of Rs. 1.07 crore in the previous year 21-22. Other Comprehensive income in FY 2022-23 was Rs. (47.08) lakh compared to Rs. 28.14 lakh in the previous year.

3. Operational Performances

3.1 Stock Broking

The Broking Income of IFIN has decreased to Rs. 1068.56 lakhs during the FY 2022-23 as against Rs. 1299.40 lakhs during the corresponding previous FY 2021-22.

3.2 Insurance Commission

Insurance Commission earned during the year is Rs. 0.99 Lakh for the FY 2022-23 (previous year actuals was at Rs 1.91 lakhs).

3.3 Brokerage from Selling of Mutual Funds/IPO/Bonds

During the year, the company has earned an income of Rs.106.11 lakhs in the FY 2022-23 from Selling of mutual fund units as compared to Rs. 195.37 lakhs in the previous reporting year 2021-22.

3.4 Depository Segment

The Company operated as the Depository Participants of both NSDL and CDSL during the year for the benefit of its retail and institutional client base. Total Income received during the year 2022-23 was Rs.80.50 lakhs (previous year Rs. 107.48 lakh)

3.5 Non Fund Based Activity – Syndication, Merchant Banking and Investment Banking

During the year the Company has earned gross income of Rs. 32.78 lakh (Previous Year- Rs. 11.75 lakh) in this product.

4. Business Environment

India again emerged as a leader for the consecutive second year among Exchange market size in terms of volumes both equally contributed by Retail and Institutions. The year under review was marked by significant global challenges. The Russia-Ukraine war disrupted the global supply chain and led to heightened energy inflation across major developed economies. This, coupled with China's pandemic induced lockdown, impacted economic recovery in Asia and the rest of the world. According to the IMF, risks are significantly skewed to the downside as a result of the amplification of financial sector turbulence, the development of the Russia-Ukraine war and the continuance of a high inflation trajectory, making monetary policy a tightrope walk.

As a result, the global economy faced uncertainty and cautious sentiment throughout the year. Economy and capital market prosperity despite the challenging global environment, India emerged as a bright spot in the global economy. With a 7.2% GDP growth in FY 2022- 23, India became the fastest-growing major economy.

This growth was achieved despite high inflation, muted rural demand, monetary tightening, and increased interest rates. India's resilience was reflected in its equities, which outperformed developed and emerging market counterparts. Unlike other markets, India's equity performance was not dependent on international inflows but driven by strong domestic investor participation. The Nifty 50 Index ended the year with a modest 0.6% loss, outperforming global indices. Whereas, BSE Sensex

index closed 422.9 points higher on March 31, 2023 from a year ago. In percentage terms, the Sensex moved higher by only 0.7% in 2022-23, the worst performance in the past three years. The resilience has been consistent over the last three years, with the Nifty 50 Index showing strong growth compared to global indices. Domestic institutional investors played a significant role in driving this optimism by investing aggressively in Indian equities. This optimism and confidence in India's story were key themes in the performance of the Indian markets during the last financial year.

Indian Exchanges gradually transformed settlement process from T-2 day to T+1 day. Indian stock exchanges became one and only the fastest settlement processed among Global markets. The first batch of securities transitioned to T+1 Settlement on February 25, 2022, and thereafter, every month a batch of around 500 securities transitioned to T+1 Settlement. From January 27, 2023, all securities i.e., equity shares including SME shares, exchange traded funds, Government Bonds and Corporate Bonds trading in the equity segment were settled on T+1 basis.

NSE remained the largest derivatives exchange in the world in terms of number of contracts traded for the fourth successive year. It moved a notch higher and ranked third globally in terms of the number of trades in the cash equities segment in 2022. In the domestic markets, NSE maintained its leadership position in the Capital market and Equity derivative segments, with a market share of 93% and near-100% respectively. There was a phenomenal Growth in new listing post IPOs also.

On September 1, 2021, the final phase of SEBI's peak margin rules kicked in, in the Indian stock market. These rules have been put into effect to contain excessive intra-day speculation which involves high risk, especially in the futures and options (F&O) segment. However, subsequent to this, SEBI through the circular insisted Members to maintain cash and cash collateral portion of upfront margins also during the Q4 of 2021-22, which brought down the volumes especially clients availing exposures based on only collateral portion of pledged stocks. During the last quarter of 2022-23, exchanges further started insisting on Beginning of the day allocation of client's margins to be reported before the starting of the trading on daily basis. Our average no of 7500 trades was hit by around 25% of the volumes compared to earlier quarters.

5. Outlook:

Diversification on Revenue is the main focus.

The Indian brokerage industry has undergone rapid changes in its business environment in last three fiscals, starting with a surge in customer accretion, business volume, pick-up in flat brokerage model to rising proportion of derivatives volumes. In recent quarters, brokerages seemed to undergo a structural shift from aggressive client addition to maintaining profitability amid rising compliance cost, through improvement in unit economics.

The broking segment, especially retail broking, has become increasingly dynamic. Entry of new players, digitization and regulations have changed the way business has been shaping up. Post Lock down, broking industry witnessed a sea change in competitive pricing, increased support on Digital platforms. Broking houses are now restructuring their business strategy to diversify revenue streams focusing on Value added services, including wealth management, research, advisory. Financial planning has been the focus to ensure maximum customer's engagement and enrich wealth creation journey of clients. Fund based activity, including margin funding and loan against shares (through NBFC), is expected to enable sustained contribution to earnings. Further, revenue growth for the broking industry is expected to moderate to 10% growth in FY23-24 to be flattish with consolidation in industry benefiting few traditional brokers.

SEBI has been undertaking tightening of regulations amid increase in derivative volume, which is likely to increase compliance cost for intermediaries and may eventually also lead to a rise in brokerage rates, though timing and extent of price revision of the same is difficult to guess. At an aggregate level, moderation in client accretion, tightening of regulations and higher compliance cost are seen leading to a gradual consolidation in the industry.

Traditional Brokerage houses facing rising margin requirements at clearing corporations mean that brokers need to raise additional money to maintain adequate margins with clearing corporations due to regular operational changes insisted by Regulators to protect Investors Interest. In addition, the increasing number of investors from tier 2 and 3 cities provides a huge opportunity for firms that can quickly move to offer remote digital services.

Business model offering and diverse streams of product & services

Brokerage being the core revenue stream, accounts for a substantial proportion of revenue for the industry. While new age brokers have been focusing on lower fixed brokerage, large incumbents are gradually attempting to diversify their portfolio offering with rising focus on value added services including advisory & research, financial planning, wealth management and margin trading facility. Thus, the proportion of pure broking income has undergone a gradual decline over the years for a majority of the players. In our view, large established full-service incumbents, with diverse product and services act as one stop for all financial needs of customers. In the past few years, the cost structure and operational efficiency of brokerages has improved amid higher utilization of technology. Further, players are now focused on quality of customer and payback period to ensure improvement in unit economics. Thus, acquisition of quality revenue-generating customers and providing strong value-added services will remain key to sustainable earnings growth ahead.

MTF Products to sustained Growth prospects:

In the last two fiscals, the margin funding book witnessed healthy growth amid increasing volume and participation. Going ahead, the performance of the margin funding book would remain sensitive to capital market trend. We expect margin funding book of the brokerage industry, especially larger peers, to remain steady and continue to contribute significantly to revenue.

Increasing compliance Cost

SEBI seems to be concerned about a continued rise in derivatives volumes due to higher margin impositions. Option volumes are on raise, especially increase in retail participation. Thus, SEBI with the goal of ensuring safety of retail segment, has been undertaking tightening of rules in the last fiscals. 100% Up front margin in cash intraday and F&O new margin rules are fully implemented now. Such tightening in regulations is likely to increase compliance cost for intermediaries, which is likely leading to continued consolidation in the industry due to high compliance and associated costs. There is also proposals by the Regulators to extend the trading hours which might be eventually implemented by exchanges

ASBA for stock payment for Secondary Market

SEBI has proposed a new mechanism – Application Supported by Blocked Amount (ASBA) – wherein a direct channel of fund flow is to be created between the client and the clearing corporation particularly for UPI mode. As per the proposal, funds shall remain in the account of the client but will

be blocked in favour of the clearing corporation till the expiry date of the block mandate or till the block is released. This move is to curb any malpractice in handling of client money by brokers and also enable clients to keep earning interest when funds are blocked for trading. This move could impact brokers as it would reduce float money with intermediaries, which have been utilized to avail bank guarantees and deposit with exchanges for position limits. Basically working capital needs will also surge. It may impact brokers too as float income as proportion of topline revenue which may be higher than diversified large brokers.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF M/S IFCI FINANCIAL SERVICES LIMITED

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **M/S IFCI FINANCIAL SERVICES LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standard prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, and the *loss*, total Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

This Company is an unlisted public sector company (where the shareholding of the entities owned by the Government of India is more than 51%). We have been informed by the management that the transactions of the Company are not: (a) significant as compared to the size of operations of its Holding Company; (b) the transactions of the Company are not complex; and (c) of such nature to be of public interest. In view of the above, we are not mentioning any Key Audit Matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for

preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure 1**" a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
2. We are enclosing our report in terms of section 143(5) of the Act, on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanation given to us, in "**Annexure 2**" on the directions issued by the Comptroller and Auditors General of India.
3. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) We have been informed that the provisions of the section 164(2) of the Act in respect of the disqualification of directors are not applicable to the Company, being a Government Company in terms of notification no. G.S.R. 463(E) dated June 5, 2015 issued by the Ministry of Corporate Affairs, Government of India.
- f) With respect to the adequacy of the Internal Financial Controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure 3”. Our Report expressed an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to Standalone Financial Statements.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Refer Note 29 of the Notes forming part of Standalone Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
- (a) The Board of Directors of the Company have represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Board of Directors of the Company have represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made by the Board of Directors of the Company under sub-clause (a) and (b) hereinabove contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.
4. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanation given to us, the provisions of section 197 of the Act are not applicable as the Company is a Government Company.

ANNEXURE "1" TO THE INDEPENDENT AUDITOR'S REPORT

REPORT ON THE COMPANY (AUDITOR'S REPORT) ORDER, 2020 ("THE ORDER"),
UNDER CLAUSE (i) OF SUB-SECTION (11) OF SECTION 143 OF THE COMPANIES ACT,
2013 (the ACT)

(Referred to in Paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of IFCI FINANCIAL SERVICES LIMITED on the Standalone Financial Statements for the year ended 31st March 2023)

- i. In respect of Property, Plant and Equipment:
- a)
- A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- B. The Company has maintained proper records showing full particulars and details of Intangible Assets.
- b) Property, Plant and Equipment have been physically verified by the management at reasonable intervals which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us, the Company does not own any immovable properties. Therefore, the provisions of sub clause (c) of clause (i) of Paragraph 3 of CARO 2020 are not applicable
- d) The Company has not revalued its Property, Plant and Equipment or Intangible Assets or both during the year.
- e) As per explanations provided to us, there are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988. Therefore, the provisions of sub clause (e) of clause (i) of Paragraph 3 of CARO 2020 are not applicable.
- ii. In respect of Inventories:
- a) The Company is in the service industry and consequently do not hold any inventory. Therefore, the provisions of sub clause (a) of clause (ii) of Paragraph 3 of CARO 2020 are not applicable
- b) The Company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current

assets. Therefore, the provisions of sub clause (b) of clause (ii) of Paragraph 3 of CARO 2020 are not applicable.

- iii. The Company during the current year has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of sub clause (a), (c) to (f) of clause (iii) of Paragraph 3 of CARO 2020 are not applicable. With regard to the investment made by the Company, in our opinion and according to the intimation and explanations given to us the said investments are not prejudicial to the interest of the Company.
- iv. In our opinion the Company has complied with the provisions of section 186 of the Act, with respect to making investments. The Company has not given any loan or guarantee or provided any security to any party covered under Section 185 of the Act.
- v. In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposit from the public within the meaning of section 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under, wherever applicable. Therefore, the provisions of clause (v) of Paragraph 3 of the CARO 2020 are not applicable.
- vi. The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Companies Act, 2013 for any of the services rendered by the Company. Therefore, the provisions of clause (vi) of Paragraph 3 of CARO 2020 are not applicable.
- vii. In respect of statutory dues:
 - a) According to the information and explanations given to us and on the basis of our examination of the books of accounts, the Company has been regular in depositing undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Duty of Customs, Duty of Excise, Value Added Tax, cess and any other material statutory dues. Further, there were no undisputed amounts payable in respect of the aforesaid statutory dues in arrears as at 31st March 2023 for a period of more than six months.
 - b) According to the information and explanations given to us and as per the books of accounts there are no dues of Income Tax or Sales Tax or Service Tax or Duty of Customs or Duty of Excise or Value Added Tax or Goods and Services Tax that have not been deposited as on 31st March, 2023 with the appropriate authorities on account of any dispute except as stated below:

Sl. No	Name of the Statute	Nature of Dues	Amounts Involved (Rs.)	Period to which the amount relates (Financial Year)	Forum where disputed is pending
1	Income Tax Act, 1961	Income Tax	3,94,229	2011-12	Commissioner of Income Tax (Appeals)
2			1,28,55,235	2012-13	
3			5,64,346	2014-15	
4			5,22,985	2015-16	
5			12,97,843	2017-18	
6	Income Tax Act, 1961	TDS	1,02,017	Various years	Demand as per Traces

viii. As per the explanations provided to us, there were no transactions which are not recorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. With respect of Repayment of loans and other borrowings:

- a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b) The Company has not been declared as willful defaulter by any bank or financial institution or other lender.
- c) The Company has not obtained any Term Loans.
- d) Based on our examination of the books of the Company, no funds were raised on short term basis which have been utilized for long term purposes.
- e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures.
- f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies.

Therefore, the provisions of sub clause (a) to (f) of clause (ix) of Paragraph 3 of CARO 2020 are not applicable

x. With respect to Public Offers and allotment of shares:

- a) The Company has not raised any moneys by way of Initial Public offer or further public offer (including debt instruments).
- b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially, or optionally convertible) during the year.

Therefore, the provisions of sub clause (a) & (b) of clause (x) of Paragraph 3 of CARO 2020 are not applicable.

xi. With respect to Fraud:

- a) No material fraud by the Company or any fraud on the Company has been noticed or reported during the course of our audit.
 - b) There are no reports filed under sub-section (12) of section 143 of the Companies Act in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c) There were no whistle-blower complaints received during the year by the Company.
- Therefore, the provisions of sub clause (a) to (c) of clause (xi) of Paragraph 3 of CARO 2020 are not applicable

xii. In our opinion, the Company is not a Nidhi Company. Hence, reporting under sub clause (a) to (c) of clause (xii) of Paragraph 3 of CARO 2020 is not applicable to the Company.

xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in Note 31 to the standalone financial statements as required by the applicable accounting standards.

xiv. Since neither the paid up share capital is greater than rupees fifty crores during the previous financial year nor the turnover is greater than rupees two hundred crores during previous financial year nor outstanding loans/borrowings from banks/public financial institutions is greater or equal to one hundred crore rupees at any time during the previous financial year nor outstanding deposits is greater or equal to twenty five crore rupees at any time during the previous financial year, the Company is not required have an internal audit system which commensurate with the size and nature of its business. Therefore, reporting under sub clause (a) & (b) of clause (xiv) of Paragraph 3 of CARO 2020 is not required.

xv. The Company has not entered in any non-cash transactions with its directors or persons connected with them. Therefore, reporting under clause (xv) of Paragraph 3 of CARO 2020 is not required.

xvi. The Company is not a Non-Banking Finance Company; and is not required to register under section 45-IA of Reserve Bank of India Act, 1934. Therefore, the reporting of sub clause (a) to (d) of clause (xvi) of Paragraph 3 of CARO 2020 are not applicable.

- xvii. The Company has incurred a cash loss of Rs. 1,35,75,456 during the financial year. However, the Company has not incurred any cash losses during the immediately preceding financial year.
- xviii. There has not been any change in Statutory Auditors during the year. Therefore, reporting under clause (xviii) of Paragraph 3 of CARO 2020 is not required.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. Since the provisions of Section 135 of the Companies Act, 2013 is not applicable to the Company, the reporting under sub clause (a) and (b) of clause (xx) of Paragraph 3 of the CARO 2020 are not applicable.
- xxi. Since the Company is preparing consolidated financial statement, the reporting of clause (xxi) of Paragraph 3 of the CARO 2020 are done in the independent auditors report on consolidated financial statements.

ANNEXURE "2" to INDEPENDENT AUDITOR'S REPORT

REPORT ON THE DIRECTIONS ISSUED BY THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(5) OF THE COMPANIES ACT, 2013

(Referred to in Paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of IFCI FINANCIAL SERVICES LIMITED on the Standalone Financial Statements for the year ended 31st March, 2023)

S.No.	GENERAL DIRECTIONS	AUDITOR'S COMMENT
1.	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.	The Company has a system in place to process all the accounting transactions through its IT systems with the support of accounting software – LIDIA DIDHA (LD) and Tally accounting software. The main activity is accounting for brokerage income earned from clients trading in equities and derivatives which are updated on a daily basis based on the trades carried through the exchange with the support of file / data shared by the exchanges. In respect of payroll related data, based on the files received from payroll department entries are uploaded periodically / monthly in the respective ledger accounts in the accounting software. Other administrative and routine entries are passed through the accounting software with appropriate menu-based operations. Based on the verification carried out by us during the course of our audit we have not come across any discrepancies in processing of accounting transactions outside the IT systems which has a significant implications on the integrity of accounts.

2.	Whether there is any restructuring of any existing loan or cases of waiver / write off of debts / loans / interest, etc. made by a lender to the company due to company's inability to repay the loan? If yes, the financial impact may be stated.	As per the information and explanations given to us the Company has not made any borrowings where there was any restricting of loans or waiver of loans.
3.	Whether funds received / receivable for specific schemes from Central / State Government or its agencies were properly accounted for / utilized as per its terms and conditions? List the cases of deviation.	As per the information and explanations given to us the Company has neither received any funds nor is receivable for specific schemes from Central / State Government or its agencies.

ANNEXURE “3” to INDEPENDENT AUDITOR’S REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS with reference to STANDALONE FINANCIAL STATEMENTS UNDER CLAUSE (i) OF SUBSECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“the Act”)

(Referred to Point f in Paragraph 3 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of IFCI FINANCIAL SERVICES LIMITED on the Standalone Financial Statements for the year ended 31st March, 2023.)

We have audited the internal financial controls with reference to Standalone Financial Statements of **IFCI FINANCIAL SERVICES LIMITED** as of 31st March 2023 in conjunction with our audit of the Standalone Financial Statements for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to Standalone Financial Statements based on the criteria established by the Company considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Controls over Financial Reporting issued by Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”), to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate

internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements includes obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls,

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at 31st March, 2023, based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

IFCI Financial Services Limited

Notes to the financial statements

(All amounts are in Indian Rupees, unless otherwise stated)

1 Significant Accounting Policies

A Reporting Entity

IFCI Financial Services Limited (IFIN) was incorporated on June 04, 1995, by IFCI Ltd., to provide a wide range of financial products and services to investors, institutional and retail. IFIN is primarily involved in Stock Broking, Investment Banking, Mutual Fund Distribution & Advisory Services, Depository Participant Services, Insurance Products Distribution and the like. The Company is a SEBI registered Stock Broker of National Stock Exchange of India Ltd (NSE), Bombay Stock Exchange (BSE) and Multi Commodity Stock Exchange (MCX-SX) and a Depository Participant with National Securities Depository Limited (NSDL) and Central Depository Services Limited (CDSL) and is primarily engaged in the business of providing securities market related transaction services. The Company is also a registered Merchant Banker Category I

B Summary of Significant Accounting Policies:

This note provides a list of the significant accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of Preparation

(i) Statement of Compliance

The Financial Statements for the year ended March 31, 2023 have been prepared by the Company in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with relevant rules of the Companies (Indian Accounting Standards) Rules, 2015.

For periods up to and including the year ended March 31, 2018, the Company presented its financial statements on accrual basis under historical cost convention, and conform in all material aspects to the Generally Accepted Accounting Principles in India ('Indian GAAP' or 'previous GAAP') which encompasses applicable accounting standards relevant provisions of the Companies Act, 2013.

The financial statements for the year ended March 31, 2023 are the fifth financial statements of the Company prepared under Ind AS and the date of transition to the Ind AS was April 1, 2017.

The financial statements were authorised for issue by the Company's Board of Directors on May 12, 2023.

The financial statements have been prepared in accordance with historical cost basis, except for certain financial instruments which are measured at fair values, as explained in the accounting policies.

(ii) Functional and Presentation Currency

These financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency. All amounts are rounded off to the nearest two decimal, except when otherwise indicated.

(iii) Use of Estimates and Judgment

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

(iv) Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in Ind AS 7 'Statement of Cash Flows'

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(v) Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Handwritten signature or initials in blue ink, consisting of a stylized 'S' and 'V'.

b) Financial Instruments

(i) Initial recognition and measurement

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value except for trade receivables that do not contain a significant financing component, which are measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

(ii) Classification and Subsequent Measurement

Financial Assets

On initial recognition, a financial asset is classified and measured at

- Amortised Cost;
- FVOCI; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial Assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of Profit and Loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is recognised in Statement of Profit and Loss.
FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of Profit and Loss. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial Liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit or Loss. Any gain or loss on derecognition is also recognised in Statement of Profit and Loss.

(iii) Derecognition

Financial Assets

The Company derecognises a financial asset when:

- the contractual rights to the cash flows from the financial asset expire, or
- the company transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial Liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in Statement of Profit and Loss.

[Handwritten signature]

IFCI Financial Services Limited**Notes to the financial statements***(All amounts are in Indian Rupees, unless otherwise stated)***(iv) Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

c) Investments

Investments in subsidiaries, joint ventures and associates are accounted for at cost in the financial statements and the same are tested for impairment in case of any indication of impairment.

Other Investments:

All equity investments in scope of Ind AS 109 (i.e. other than equity investments in subsidiaries / associates / joint ventures) are measured at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account. However on initial recognition of an equity instrument that is not held for trading, the Company may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment by investment basis.

d) Property, Plant and Equipment**(i) Recognition and Measurement**

Property, Plant and Equipment are stated at cost (cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition including applicable borrowing costs for qualifying assets) and is net of accumulated depreciation and impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

(ii) Subsequent Expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(iii) Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using straight-line method and is generally recognised in the Statement of Profit and Loss.

Residual value in respect of assets is considered as 5% of the cost for computing depreciation.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset	Useful life (in years)
Computer equipment's and accessories	3
Servers	6
Office equipment's	5
Motor Vehicles	10
Furniture and fittings	10

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the month in which asset is disposed of.

(iv) Derecognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

e) Other Intangible Assets**(i) Recognition and Measurement**

Other intangible assets are initially measured at cost. Such intangibles are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

(ii) Subsequent Expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure on internally generated intangibles is recognised in Statement of Profit and Loss as incurred.

IFCI Financial Services Limited**Notes to the financial statements***(All amounts are in Indian Rupees, unless otherwise stated)***(iii) Amortization**

Amortisation is calculated to write off the cost of intangible assets over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in Statement of Profit and Loss.

The estimated useful lives are as follows:

Assets	Useful life (in years)
Computer Software	6
Non compete fees	5

Amortisation method, useful lives and residual values are reviewed at the end of each financial year, with the effect of any changes in estimate being accounted for on a prospective basis.

f) Impairment**(i) Impairment of Financial Instruments**

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost and FVOCI. At each reporting date, the Company assesses whether financial assets carried at amortized cost are credit - impaired. A financial asset is 'credit - impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Impairment loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls). The Company estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime impairment pattern at each balance sheet date, right from its initial recognition.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

(ii) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is any indication that the carrying amount may not be recoverable. If any such indication exists, then the asset's recoverable amount is estimated and an impairment loss is recognised if the carrying amount of an asset or Cash Generating Unit (CGU) exceeds its estimated recoverable amount in the Statement of Profit and Loss.

The Company's non-financial assets and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets that do not generate independent cash inflows are grouped together into CGUs. Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

g) Employee Benefits**(i) Short-term Employee Benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

(ii) Provident Fund

Employees receive benefits from a provident fund, which is a defined contribution plan. Both the employee and the Company make monthly contributions to the Regional Provident Fund equal to a specified percentage of the covered employee's salary. The Company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. The Company has no further obligations under the plan beyond its monthly contributions. The contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due and there are no other obligations other than the contribution payable.

(iii) Gratuity

The Company provides for gratuity in accordance with the Payment of Gratuity Act, 1972, a defined benefit retirement plan (the Plan) covering all employees. The plan, subject to the provisions of the above Act, provides a lump sum payment to eligible employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity Scheme is operated through Group gratuity Scheme of LIC. Gratuity liability is accrued and provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial period. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI.

IFCI Financial Services Limited

Notes to the financial statements

(All amounts are in Indian Rupees, unless otherwise stated)

(iv) Compensated Absences

The policy provides for that an employee is entitled to 24 days of earned leave per year and maximum of 30 days leave subject to availability of Annual Leave standing to the credit of the employee at any time during the year will be paid as leave salary calculated on the Gross component. The expenses on account thus arising are recognized in the profit and loss account.

Provision for long-term compensated absences is accrued and provided for on the basis of actuarial valuation made at the end of each financial period. The actuarial valuation is done as per projected unit credit method. Short-term encashment of accumulated leave balances are accounted for in the year in which the leave balances are credited to employees on actual basis.

h) Provisions (other than for employee benefits) and Contingent Liabilities

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

Contingent Liabilities

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

i) Revenue Recognition

(i) Brokerage Income is recognized on the trade date of the transaction upon confirmation of the transactions by the exchanges.

(ii) Loan Syndication Fees are recognised when the right to receive the income is established.

(iii) Depository Services incomes are recognised on the basis of agreements entered into with clients and when the right to receive the income is established.

(iv) Insurance Commission from Agency business is booked upon actual receipt of commission from the principal.

(v) Commission from selling of mutual funds is accounted on receipt basis.

(vi) Recovery from bad debts written off is recognised as income on the basis of actual realisation from customers.

(vii) Dividends declared by the respective Companies till the close of the accounting period are accounted for as income when the right to receive the dividend is established.

(viii) Interest income from financial assets is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

(ix) All other income are recognized on an accrual basis, when there is no uncertainty in the ultimate realization/ collection.

j) Leases

The Company has applied Ind AS 116 (as notified by the Ministry of Corporate Affairs on 30th March 2019) that is effective for annual periods that begin on or after 01st April 2019. Ind AS 116 'Leases' replaces Ind AS 17 'Leases'. The new Standard has been applied by the Company using the modified retrospective approach, with the cumulative effect of adopting Ind AS 116 being recognized in equity as an adjustment to the opening balance of retained earnings for the current period. Prior periods have not been restated.

All leases are accounted for by recognizing a right-of-use asset and a lease liability except for

- a. Leases of low value assets; and
- b. Leases with a duration of 12 months or less

Lease liabilities are measured at the present value of the contractual payments due to the lessor over the lease term, with the discount rate determined by reference to the rate inherent in the lease unless (as is typically the case) this is not readily determinable, in which case the Company's incremental borrowing rate on commencement of the lease is used

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

k) Income Tax

Income tax comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(Handwritten signature)

IFCI Financial Services Limited
Notes to the financial statements

(All amounts are in Indian Rupees, unless otherwise stated)

(ii) Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

l) Earnings per Share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, excluding treasury shares

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

m) Cash and Cash Equivalents

Cash and cash equivalent comprise of cash on hand and at banks including short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. Other bank deposits which are not in the nature of cash and cash equivalents with a maturity period of more than three months are classified as bank balances other than cash and cash equivalents.

n) Bank balances other than Cash and Cash equivalents

Other bank deposits which are not in the nature of cash and cash equivalents with a maturity period of more than three months are classified as bank balances other than cash and cash equivalents.

Fixed Deposits with a maturity period of more than 12 Months are classified under Other financial asset (Non current)

Rights, preferences and restrictions attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets on winding up. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to his/hers share of the paid-up equity share capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable has not been paid. Failure to pay any amount called up on shares may lead to their forfeiture.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts, in proportion to the number of equity shares held.

IFCI Financial Services Limited

Notes to the financial statements

(All amounts are in Indian Rupees, unless otherwise stated)

26 Employee Benefit Expenses

(i) Defined Contribution Plan

The company has recognised an expense of ₹ 38,41,065/- (Previous year ₹ 41,67,991/-) towards provident fund, ₹ 1,57,439/ (Previous year ₹ 1,75,361/-) towards other welfare funds.

(ii) Defined Benefit Plan - Compensated Absence

The Company has recognised an expense of ₹ 46,20,477/- during the year ended March 31, 2023 (Previous year ₹ 10,06,882/-) as per actuarial valuation report. The Closing Balance of compensated absence as at March 31, 2023 is ₹ 77,14,416/- (Previous year ₹ 72,16,625/-).

(iii) Defined Benefit Plan - Gratuity

The Company has constituted The Employees Group Gratuity Fund under the Group Gratuity Assurance Scheme administered by the Life Insurance Corporation of India. The scheme provides for Lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each year of completed service or part thereof in excess of 6 months. Vesting occurs on completion of 5 years of service.

These defined benefit plans expose the Company to actuarial risks, such as longevity risk, interest rate risk and market (investment) risk.

A Reconciliation of Amounts in Balance Sheet

	For the period from April 01, 2022 to March 31, 2023	For the period from April 01, 2021 to March 31, 2022
Defined Benefit Obligation at the end of period	1,29,73,363	94,96,052
Fair value of Plan Assets at the end of period	1,28,93,776	1,35,97,111
Funded Status - (Surplus)/Deficit at the end of period	79,587	(41,01,059)
Liability/(Asset) recognised in the Balance Sheet	79,587	(41,01,059)

B Reconciliation of the present value of Defined Benefit Obligation and Fair value of Plan Assets

The following table shows a reconciliation from the opening balances to the closing balances for the present value of Defined Benefit Obligation and Fair value of Plan Assets and its components.

Reconciliation of present value of defined benefit obligation

	For the period from April 01, 2022 to March 31, 2023	For the period from April 01, 2021 to March 31, 2022
Defined Benefit Obligation at the beginning of period	94,96,052	1,15,08,541
Benefits Paid	(25,71,383)	(11,12,346)
Current Service Cost	9,19,826	12,70,031
Interest Cost	6,73,290	7,97,371

Balance at the end of the year	1,29,73,363	94,96,052
Defined Benefit Obligation at the end of period	1,29,73,363	94,96,052

Reconciliation of fair value of Plan Asset

	For the period from April 01, 2022 to March 31, 2023	For the period from April 01, 2021 to March 31, 2022
Fair value of Plan Assets at the beginning of period	1,35,97,111	1,35,65,726
Interest Income	9,74,717	9,40,345
Actual Enterprise's Contribution	11,45,307	3,56,848
Actual Benefits Paid	(25,71,383)	(11,12,346)
Actuarial gains/(losses) recognised in other comprehensive income	(2,51,976)	(1,53,462)
Balance at the end of the year	1,28,93,776	1,35,97,111
Fair value of Plan Assets at the end of period	1,28,93,776	1,35,97,111

C i. Expense recognised in Profit or Loss

	March 31, 2023	March 31, 2022
Current Service Cost	9,19,826	12,70,031
Interest Cost	6,73,290	7,97,371
Expected Return on Plan Assets	(9,74,717)	(9,40,345)
	6,18,399	11,27,057

ii. Remeasurements recognised in other comprehensive income

	March 31, 2023	March 31, 2022
Amount recognized in OCI at the beginning of period	(41,32,070)	(13,17,987)
Actuarial loss (gain)/loss on Defined Benefit Obligation	44,55,578	(29,67,545)
Actuarial loss gain/(loss) on Plan asset	(2,51,976)	(1,53,462)
	5,75,484	(41,32,070)

D Defined Benefit Obligation

Actuarial assumptions

Principal actuarial assumptions at the reporting date (expressed as weighted averages)

	March 31, 2023	March 31, 2022
Discount rate	7.20%	7.35%
Salary Escalation	3.00%	0% for next year and 3.00% thereafter

(Handwritten mark)

27 Financial Instruments - Fair values and risk management

A Accounting classifications and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in fair value hierarchy

March 31, 2023

	Amortised Cost	FVTPL	FVOCI	Total carrying amount
Financial assets				
Trade Receivables	1,77,64,647	-	-	1,77,64,647
Cash and Cash equivalents	8,24,24,524	-	-	8,24,24,524
Bank balances other than Cash and Cash equivalents	17,69,31,303	-	-	17,69,31,303
Other Financial Assets	14,66,13,213	-	-	14,66,13,213
Investments (other than investment in Subsidiary)	-	-	-	-
Total Financial assets	42,37,33,687	-	-	42,37,33,687
Financial liabilities				
Trade and Other Payables	16,81,75,666	-	-	16,81,75,666
Other Financial Liabilities	54,35,762	-	-	54,35,762
Total Financial liabilities	17,36,11,428	-	-	17,36,11,428

March 31, 2022

	Amortised Cost	FVTPL	FVOCI	Total carrying amount
Financial assets				
Trade Receivables	4,99,43,512	-	-	4,99,43,512
Cash and Cash equivalents	10,23,13,097	-	-	10,23,13,097
Bank balances other than Cash and Cash equivalents	8,70,19,081	-	-	8,70,19,081
Other Financial Assets	31,56,09,918	-	-	31,56,09,918
Investments (other than investment in Subsidiary)	-	54,830	-	54,830
Total Financial assets	55,48,85,608	54,830	-	55,49,40,438
Financial liabilities				
Trade and Other Payables	27,58,25,994	-	-	27,58,25,994
Other Financial Liabilities	52,62,802	-	-	52,62,802
Total Financial liabilities	28,10,88,796	-	-	28,10,88,796

- The fair value of investment (other than in subsidiary) is determined based on Level-1 input i.e the price quoted in active market.

- For all of the Company's assets and liabilities which are not carried at fair value, disclosure of fair value is not required as the carrying amounts approximates the fair values.

B Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk (see (B)(i));
- Liquidity risk (see (B)(iii)); and
- Market risk (see (B)(iv)).

i. Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors along with the top management are responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's Board of Directors oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

ii. Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in financial loss. Credit risk always managed by the Company by proper approvals. Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at the end of the reporting period, as summarised below:

	Carrying amount March 31, 2023	Carrying amount March 31, 2022
Trade Receivables	1,77,64,647	4,99,43,512
Other Financial Assets	14,66,13,213	31,56,09,918
	16,43,77,861	36,55,53,430

Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks with high credit ratings assigned by the credit rating agencies. Investments primarily include investment in liquid mutual fund units.

[Handwritten signature]

IFCI Financial Services Limited
Notes to the financial statements

(All amounts are in Indian Rupees, unless otherwise stated)

Trade Receivables

The Company applies expected credit loss (ECL) model for measurement and recognition of loss allowance for Trade receivables. It follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

As a practical expedient, the Company uses a provision matrix to measure lifetime ECL on its portfolio of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated. ECL allowance recognised (or reversed) during the period is recognised as income/ expense in the statement of profit and loss. The movement of Allowance for Expected Credit Loss are provided herein under:-

Reconciliation of Allowance for Expected Credit Loss:-

	March 31, 2023	March 31, 2022
Opening Balance	6,33,03,200	8,21,85,434
Created / (Reversed) during the year	39,39,437	-1,88,82,254
Closing Balance	6,72,42,637	6,33,03,200

Other Financial Assets

This balance is primarily constituted by deposit given to Stock exchange in relation to maintain minimum base capital requirement. The Company does not expect any losses from non-performance by these counter-parties.

iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's principal sources of liquidity are cash and cash equivalents, the cash flow that is generated from operations. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

As of March 31, 2023, the Company had a working capital of ₹ 25,35,26,211/- including cash and bank balances of ₹ 8,24,74,534/- and Bank balance other than Cash and Cash equivalents of ₹ 17,69,31,303/-. Further the promoter of the Company have also committed to support the company for their current and future requirements.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

March 31, 2023

	Carrying amount	Contractual cash flows		
		Total	upto 1 year	more than 1 year
Financial liabilities				
Trade Payables	16,81,75,666	16,81,75,666	16,81,75,666	-
Other financial liabilities	54,35,762	54,35,762	-	54,35,762
	17,36,11,428	17,36,11,428	16,81,75,666	54,35,762

March 31, 2022

	Carrying amount	Contractual cash flows		
		Total	upto 1 year	more than 1 year
Financial liabilities				
Trade Payables	27,58,25,994	27,58,25,994	27,58,25,994	-
Other financial liabilities	52,62,802	52,62,802	-	52,62,802
	28,10,88,796	28,10,88,796	27,58,25,994	52,62,802

iv. Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

C Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the Company's capital management is to maximise the shareholder value. The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. It sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments. The funding requirements are met through support from the Holding Company. The Company monitors capital using a ratio of net debt to equity. For this purpose, net debt is defined as total liabilities, comprising interest-bearing loans and borrowings, trade payable, financial liabilities and other liabilities less cash and cash equivalents. Equity comprises all components of equity.

(Handwritten signature/initials)

28 Income Taxes (IND AS 12):

Deferred Tax Asset / (Liability) as on March 31, 2023 has been arrived at as follows:

	March 31, 2023	March 31, 2022
Timing Difference on account of Disallowances	41,28,773	9,39,247
Timing Difference on account of Carry Forward Losses	1,03,84,275	73,81,762
A	1,45,13,048	83,21,010
Less: Deferred Tax Liability arising on account of:		
Timing Difference on account of Disallowances	-	-
Timing Difference on account of Depreciation	(8,52,484)	(4,91,511)
B	(8,52,484)	(4,91,511)
Net Deferred Tax Asset/(Liability)	(A+B) 1,36,60,564	78,29,499

According to IND AS-12, Deferred Tax Asset should be recognized only when there is a reasonable certainty supported by convincing evidence that sufficient future taxable income will be available. In view of prudence, the Company has not recognized Deferred Tax Asset.

32 The Company when applying Ind AS 116 to leases previously classified as operating leases, has used practical expedients for not recognising right-of-use assets and liabilities for leases of low value assets. As the leases of the Company are short term leases, the Company has charged the lease expense as a period cost in the Statement of Profit & Loss Account.

33 According to information available with the Management, on the basis of intimation received from suppliers regarding their status under the Micro, Medium and Small Enterprises Development Act, 2006 (MSMED Act), the company has no amounts due to Micro, Medium and Small Enterprises under the said act as at March 31, 2023.

Sl.No	Particulars	March 31, 2023	March 31, 2022

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF M/S IFCI FINANCIAL SERVICES LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of M/s. IFCI Financial Services Limited (hereinafter referred to as the "Holding Company") and its Subsidiaries (Holding Company and its Subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2023, and the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2023, of consolidated *loss*, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with

the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

The companies comprising of the Group are unlisted public sector entities (where the ultimate shareholding of the entities owned by the Government of India is more than 51%). We have been informed by the management that the transactions of the Group are not: (a) significant as compared to the size of operations of its Ultimate Holding Company; (b) the transactions of the Company are not complex; and (c) of such nature to be of public interest. In view of the above, we are not mentioning any Key Audit Matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the Consolidated Financial Statements and our auditor's report thereon. -

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, Consolidated Changes in Equity and Consolidated Cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its Subsidiary Companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

We did not audit the financial statements of 3 Subsidiaries whose financial statements reflect total assets of ₹ 37,55,27,396/- as at 31st March 2023, total revenues (including other income) of ₹ 2,91,48,122/- and net cash outflows amounting to ₹ (52,20,332)/- for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these Subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid Subsidiaries is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. We are enclosing our report in terms of section 143(5) of the Act, on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanation given to us, in "Annexure 2" on the directions issued by the Comptroller and Auditors General of India.
3. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matters' paragraph we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
 - d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) We have been informed that the provisions of the section 164(2) of the Act in respect of the disqualification of directors are not applicable to the Holding Company and its Subsidiaries incorporated in India, being a Government Company in terms of notification no. G.S.R. 463(E) dated June 5, 2015 issued by the Ministry of Corporate Affairs, Government
- f) With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure 3” which is based on the auditor’s reports of the Holding Company and its Subsidiary Companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Consolidated Financial Statements disclose impact of pending litigations on the consolidated financial position of the Group - Refer Note 32 of the Notes forming part of Consolidated Financial Statements.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its Subsidiary Companies incorporated in India.
 - iv.
 - (a) The Board of Directors of the Holding Company have represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Board of Directors of the Holding Company have represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign

entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made by the Board of Directors of the Holding Company under sub-clause (a) and (b) hereinabove contain any material mis-statement.

v. No dividend has been declared or paid during the year by the Company.

4. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanation given to us, the provisions of section 197 of the Act are not applicable as the Companies included in the Group are Government Company.

REPORT ON THE DIRECTIONS ISSUED BY THE COMPTROLLER AND AUDITOR
GENERAL OF INDIA UNDER SECTION 143(5) OF THE COMPANIES ACT, 2013

(Referred to in Paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of IFCI FINANCIAL SERVICES LIMITED on the Consolidated Financial Statements for the year ended 31st March, 2023)

S.No.	GENERAL DIRECTIONS	AUDITOR'S COMMENT
In respect of Holding Company: M/s IFCI Financial Services Limited:		
1.	Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts, along with the financial implications, if any, may be stated.	The Company has a system in place to process all the accounting transactions through its IT systems with the support of accounting software – LIDHA DIDHA (LD) and Tally accounting software. The main activity is accounting for brokerage income earned from clients trading in equities and derivatives which are updated on a daily basis based on the trades carried through the exchange with the support of file / data shared by the exchanges. In respect of payroll related data, based on the files received from payroll department entries are uploaded periodically / monthly in the respective ledger accounts in the accounting software. Other administrative and routine entries are passed through the accounting software with appropriate menu-based operations. Based on the verification carried out by us during the course of our audit

		we have not come across any discrepancies in processing of accounting transactions outside the IT systems which has a significant implications on the integrity of accounts.
2.	Whether there is any restructuring of any existing loan or cases of waiver / write off of debts / loans / interest, etc. made by a lender to the company due to company's inability to repay the loan? If yes, the financial impact may be stated.	As per the information and explanations given to us the Company has not made any borrowings where there was any restricting of loans or waiver of loans.
3.	Whether funds received / receivable for specific schemes from Central / State Government or its agencies were properly accounted for / utilized as per its terms and conditions? List the cases of deviation.	As per the information and explanations given to us the Company has neither received any funds nor is receivable for specific schemes from Central / State Government or its agencies.
<i>In respect of Subsidiary Company: M/s IFIN Credit Limited:</i>		
1.	<i>Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.</i>	<i>As per the information and explanations given to us, the company processes all the accounting transactions in computerized environment. No accounting transactions were processed outside IT system of the company.</i>
2.	<i>Whether there is any restructuring of any existing loan or cases of waiver / write off of debts / loans / interest, etc. made by a lender to the company due to company's inability to repay the loan? If yes, the financial impact may be stated.</i>	<i>There has been no restructuring of existing loans or cases of waiver / write off debts/ loan/ interest etc made by lender company due to company's inability to repay loan and hence no financial impact on the financials of the company.</i>

3.	<i>Whether funds received / receivable for specific schemes from Central / State Government or its agencies were properly accounted for / utilized as per its terms and conditions? List the cases of deviation.</i>	<i>There were no funds (grants/subsidy etc.) received/receivable for specific schemes from Central/ State Government or its agencies.</i>
----	--	---

In respect of Subsidiary Company: M/s IFIN Commodities Limited

1.	<i>Whether the company has system in place to process all the accounting transactions through IT System? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.</i>	<i>The Company maintains the accounting transactions through third party softwares like LIDHA DIDHA (LD) and tally software for maintaining the books of account. The other transactions are being carried out manually. The main activity is accounting for commodity income earned from clients trading in equities and derivatives which are updated on a daily basis based on the trades carried through the exchange with the support of file/data shared by the exchanges. In respect of payroll related data, based on the files received from the payroll department entries are updated periodically/monthly in the respective ledger account in the accounting software.</i>
2.	<i>Whether there is any restructuring of an existing loan or cases of waiver /write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. (In case,lender is Government company, then this direction is also applicable for statutory auditor of lender company)</i>	<i>There has been no existing loans or cases of waiver / write off debts/ loan/ interest etc made by lender to company and hence restructuring dues does not arise.</i>
3.	<i>Whether funds (grants/subsidy etc) received /receivable for specific schemes</i>	<i>Not Applicable. The company has not received any Grant/Subsidy during the year under</i>

	<p>from Central/State Government or its Agencies were properly accounted for /utilized as per its term and conditions? List the cases of Deviations</p>	<p>audit.</p>
<p>In respect of Subsidiary Company: M/s IFIN Securities Finance Limited</p>		
<p>1.</p>	<p>Whether the company has system in place to process all the accounting transactions through IT System? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.</p>	<p>The company has system in place to process all the accounting transactions through IT system using tally accounting software. The main activity is accounting for interest income earned from clients for loans against shares and margin funding which are extracted from Miles Software and loan against mutual funds is extracted from Dhanlap software (third party software) which are updated in the tally accounting software. In respect of payroll related data, based on the files received from payroll department entries are uploaded periodically/monthly in the respective ledger accounts in the tally accounting software. Based on the verification carried out by us during the course of our audit we have not come across any discrepancies in processing of accounting transactions outside the IT systems which has a significant implication on the integrity of accounts.</p>
<p>2.</p>	<p>Whether there is any restructuring of an existing loan or cases of waiver /write off of debts/loans/interest etc, made by a lender to the company due to the company's inability to repay the loan? ANNEXURE “3” TO THE INDEPENDENT AUDITOR’S REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE AFORESAID CONSOLIDATED FINANCIAL STATEMENTS UNDER CLAUSE (i) OF SUBSECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“the Act”)

(Referred to Point f in Paragraph 3 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the members of IFCI FINANCIAL SERVICES LIMITED on the Consolidated Financial Statements for the year ended 31st March, 2023.)

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended 31st March, 2023, we have audited the internal financial controls with reference to the Consolidated Financial Statements of **IFCI Financial Services Limited** (hereinafter referred to as “Holding Company”) and its Subsidiary Companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Subsidiary Companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to the Consolidated Financial Statements based on the criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to the Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to the Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to the Consolidated Financial Statements

A company's internal financial control with reference to the Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with

generally accepted accounting principles. A company's internal financial control with reference to the Consolidated Financial Statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to the Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to the Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and according to the information and explanations given to us the Holding Company and its Subsidiary Companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to the Consolidated Financial Statements and such internal financial controls with reference to the Consolidated Financial Statements were operating effectively as at 31st March, 2023, based on the internal control with reference to the Consolidated Financial Statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of

Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to the Consolidated Financial Statements insofar as it relates to 3 Subsidiary Companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of this matter.

IFCI Financial Services Limited
Notes to the Consolidated Financial Statements
(All amounts are in Indian Rupees, unless otherwise stated)

1 Significant Accounting Policies

A Groups Background:

The Consolidated Financial Statements comprises of standalone financial statements of IFCI Financial Services Limited (the Parent) and its subsidiaries collectively the group for the year ended March 31, 2023. IFCI Financial Services Ltd (IFIN) was promoted in 1995, by IFCI Ltd., to provide a wide range of financial products and services to investors, institutional and retail. IFIN is primarily involved in Stock Broking, Investment Banking, Mutual Fund Distribution & Advisory Services, Depository Participant Services, Insurance Products Distribution and the like.

IFIN is a SEBI registered Stock Broker on National Stock Exchange of India Ltd (NSE) and Bombay Stock Exchange (BSE) etc. and is positioned as a global financial supermarket, built on the foundations of incisive research and trust. Intense interaction with investors helps us understand their specific needs and suggest holistic and appropriate financial solutions. Our team of professionals continuously scans the financial arena and stay ever prepared to educate investors and partner them in creating enduring wealth.

Subsidiaries:

- The subsidiary company IFIN Commodity Limited is a registered member of Multi Commodity Exchange Limited and National Commodity and Derivatives Exchange (NCDEX) and it is primarily engaged in the business of providing Commodity Market related transaction services.
- The subsidiary company IFIN Securities Finance Limited is a Non Banking Finance Company, registered u/s 45-IA of Reserve Bank of India Act, and is primarily engaged in the business of providing loans against shares and margin funding.
- The subsidiary company IFIN Credit Limited is not engaged in any business activity.

IFCI Limited, our legendary Parent Institution

The Government of India established The Industrial Finance Corporation of India (IFCI) on July 1, 1948 as India's first and premier Development Financial Institution, to cater to the long - term financial needs of the industrial sector.

B Summary of Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of the Consolidated Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of Preparation

(i) Statement of Compliance

The Consolidated Financial Statements for the year ended March 31, 2023 have been prepared by the Group in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with relevant rules of the Companies (Indian Accounting Standards) Rules, 2015.

The financial statements for the year ended March 31, 2023 are the fourth Consolidated financial statements of the Company prepared under Ind AS and the date of transition to the Ind AS was April 1, 2017.

The Consolidated financial statements were authorised for issue by the Company's Board of Directors on May 12, 2023.

The Consolidated financial statements have been prepared in accordance with historical cost basis, except for certain financial instruments which are measured at fair values, as explained in the accounting policies.

(ii) Functional and Presentation Currency

These Consolidated financial statements are presented in Indian Rupees (₹), which is the Group's functional and presentation currency. All amounts are rounded off to the nearest two decimal, except when otherwise indicated.

(iii) Use of Estimates and Judgment

The preparation of the Consolidated financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the Consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

(a) Judgements

Information about the judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the Consolidated financial statements is included here:

Classification of financial assets : Assessment of business model within which the assets are held and assessment of whether the contractual terms of the financial asset are solely payments of principal and interest on the principal amount outstanding.

Impairment of financial assets : establishing the criteria for determining whether credit risk on the financial assets has increased significantly since initial recognition, determining methodology for incorporating forward looking information into measurement of expected credit loss (ECL) and selection of models used to measure ECL.

X

IFCI Financial Services Limited

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees, unless otherwise stated)

Equity accounted investees : The Company has significant influence over its subsidiaries (investee) of IFIN Commodities Limited (ICOM), IFIN Securities Finance Limited (ISFL) & IFIN Credit Limited (ICL).

(b) Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ended 31st March 2023 is included in the following notes:

Impairment of financial instruments : Determining inputs into the ECL measurement model, including incorporation of forward looking information including key assumptions used in estimating recoverable cash flows

- Determination of the fair value of financial instruments with significant unobservable inputs.
- Measurement of defined benefit obligations : key actuarial assumptions.
- Recognition of deferred tax assets : availability of future taxable profit against which carry forward tax losses can be used.
- Determination of the estimated useful lives of tangible assets and the assessment as to which components of the cost may be capitalized
- Estimates regarding the value in use of the cash generating unit (CGU) for non financial assets based on the future cash flows.; and
- Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources.

(vi) Business Combinations

Business Combinations are accounted for using the acquisitions method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The Consideration transferred is measured at fair value at acquisition date and includes the fair value of any contingent consideration. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognized in accordance with the requirements of Ind AS 12, Income taxes and Ind AS 19, Employee Benefits, Respectively .Where the consideration transferred exceed the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the difference as a gain in other comprehensive income and accumulate the gain in equity as capital reserve. The costs of acquisitions excluding those relating to issue of equity or debt securities are charged to the Statement of Profit and Loss in the period in which they are incurred.

In case of business combinations involving entities under common control, the above policy does not apply. Business combinations involving entities under common control are accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amount on the date of the acquisition subject to necessary adjustments required to harmonize accounting policies. Any excess or short fall of the consideration paid over the share capital of transferor entity or business is recognized as capital reserve under equity.

Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS 103 - Business Combinations.

Goodwill is considered to have indefinite useful life and hence is not subject to amortization but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill acquired in a business combination, is from the acquisition date, allocated to each of the group's cash generation Units (CGUs) that are expected to benefit from the combination. A CGU is the Smallest identifiable group of assets that generates cash inflows that that are largely independent of the cash inflows from other assets or group of assets. Each CGU or a combination of CGU to which goodwill is so allocated represents the lowest level at which goodwill is monitored for internal management purpose and it is not larger than an operating segment of the group.

A CGU to which the goodwill is allocated is tested for impairment annually, and whenever there is an indication that the CGU may be impaired, by comparing the carrying amount of the CGU, including the goodwill with the recoverable amount of the CGU. If the recoverable amount of the CGU exceed the carrying amount of the CGU exceed the recoverable amount of the CGU, the group recognizes an impairment loss by first reducing the carrying amount of any goodwill allocated to the CGU and then to other assets of the CGU pro-rata based on the carrying amount of each asset in the CGU. Any impairment loss on goodwill is recognized in the statement of profit and loss. An impairment loss recognized on goodwill is not reversed in subsequent periods.

On disposal of a CGU to which goodwill is allocated the goodwill associated with the disposed CGU is included in the carrying amount of the CGU when determining the gain or loss on disposal.

(v) Principles and assumptions used for consolidated financial statements and pro-forma adjustments

The consolidated financial statements have been prepared applying the principles laid in the Indian Accounting Standard (Ind AS) 110 Consolidated Financial Statements issued by the Institute of Chartered Accountants of India as considered appropriate for the purposes of these Consolidated Balance Sheet, and Profit and Loss Account, together referred to in as 'Consolidated Financial Statements'.

IFCI Financial Services Limited**Notes to the Consolidated Financial Statements***(All amounts are in Indian Rupees, unless otherwise stated)*

IFCI Financial Services Ltd's (the parent company or the holding company) shareholding in the following companies as on March 31, 2023 and March 31, 2022 are as under:

Name of the Subsidiary	Country	Date on which became a Subsidiary	As on 31st Mar 2023		As on March 31, 2022	
			No of shares held	% of holding	No of shares held	% of holding
IFIN Commodities Limited	India	30-Jan-09	50,00,000	100%	50,00,000	100%
IFIN Credit Limited	India	01-Feb-10	25,00,000	100%	25,00,000	100%
IFIN Securities Finance Ltd. (Formerly known as Narayan Sriram Investments Private Ltd)	India	02-Mar-11	30,01,000	100%	30,01,000	100%

(vi) Principles used in preparing Consolidated Financial statements:

a) In preparing consolidated financial statements, the financial statements of the parent and its subsidiaries is combined on a line by line basis by adding together like items of assets, liabilities, income and expenses.

b) Intra-group transactions are eliminated in preparation of consolidated financial statements

c) The cost to the parent of its investment in each subsidiary and the parent's portion of equity of each subsidiary, at the date on which investment in each subsidiary is made, is eliminated.

(i) In the case of IFIN Commodities Ltd., since the amount paid is equal to the paid up capital of the subsidiary, there is neither goodwill nor a capital reserve.

(ii) In the case of IFIN Credit Ltd., IFCI Financial Services Ltd. had acquired the 100% of the share capital in two stages i.e. initially 45% in the accounting year 2008 - 2009 and the balance in 2009 - 2010. The total amount paid is Rs.2,79,00,000 for a net asset value of Rs.1,98,81,335/- as on 01.02.2010 i.e., the date on which the Company became a subsidiary (Wholly owned). The surplus of Rs.80,18,665/- is adjusted against the Amalgamation Reserve of Rs.97,63,970/- leaving a balance of Rs 17,45,305/-.

(iii) In the case of IFIN Securities Finance Ltd (Formerly known as Narayan Sriram Investments Private Ltd.), IFCI Financial Services Ltd. had acquired the 100% of the share capital for a consideration of Rs. 73,23,063 for a total equity of Rs.1,00,000/- as on 02.03.2011 i.e., the date on which the Company became a subsidiary (Wholly owned). The total Net worth as on date of acquisition of Rs.50,69,206/- and the balance amount of Rs.22, 53,857 is shown as goodwill.

(vii) Cash Flow Statement

Cash flow statement is prepared in accordance with the indirect method prescribed in Ind AS 7 'Statement of Cash Flows'

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(viii) Measurement of Fair Values

A number of the Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

b) Financial Instruments**(i) Initial recognition and measurement**

Financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss (FVTPL)) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

(Handwritten signature)

IFCI Financial Services Limited

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees, unless otherwise stated)

(ii) Classification and Subsequent Measurement

Financial Assets

On initial recognition, a financial asset is classified and measured at

- Amortised Cost,
- FVOCI; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial Assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of Profit and Loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is recognised in Statement of Profit and Loss.
FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in Statement of Profit and Loss. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial Liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit or Loss. Any gain or loss on derecognition is also recognised in Statement of Profit and Loss.

(iii) Derecognition

Financial Assets

The Group derecognises a financial asset when :

- the contractual rights to the cash flows from the financial asset expire, or
- the Group transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial Liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in Statement of Profit and Loss.

(iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

IFCI Financial Services Limited

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees, unless otherwise stated)

c) Investments:

All equity investments in scope of Ind AS 109 (i.e. other than equity investments in subsidiaries / associates / joint ventures) are measured at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account. However on initial recognition of an equity instrument that is not held for trading, the Group may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment by investment basis.

d) Property, Plant and Equipment

(i) Recognition and Measurement

Property, Plant and Equipment are stated at cost (cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition including applicable borrowing costs for qualifying assets) and is net of accumulated depreciation and impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

(ii) Subsequent Expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

(ii) Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using straight-line method and is generally recognised in the Statement of Profit and Loss.

Residual value in respect of assets is considered as 5% of the cost for computing depreciation.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset	Useful life (in years)
Computer equipment's and accessories	3
Servers	6
Office equipment's	5
Motor Vehicles	10
Furniture and fittings	10

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the month in which asset is disposed of.

(iv) Derecognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

e) Other Intangible Assets

(i) Recognition and Measurement

Other intangible assets are initially measured at cost. Such intangibles are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

(ii) Subsequent Expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure on internally generated intangibles is recognised in Statement of Profit and Loss as incurred.

(iii) Amortization

Amortisation is calculated to write off the cost of intangible assets over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in Statement of Profit and Loss.

The estimated useful lives are as follows:

Assets	Useful life (in years)
Computer Software	6
Non compete fees	5

Amortisation method, useful lives and residual values are reviewed at the end of each financial year, with the effect of any changes in estimate being accounted for on a prospective basis.

IFCI Financial Services Limited

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees, unless otherwise stated)

f) Impairment

(i) Impairment of Financial Instruments

The Group recognizes loss allowances for expected credit losses on financial assets measured at amortized cost and FVOCI. At each reporting date, the Group assesses whether financial assets carried at amortized cost are credit - impaired. A financial asset is 'credit - impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Impairment loss is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e. all cash shortfalls). The Group estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime impairment pattern at each balance sheet date, right from its initial recognition.

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

(ii) Impairment of Non-Financial Assets

The Group assesses at each reporting date whether there is any indication that the carrying amount may not be recoverable. If any such indication exists, then the asset's recoverable amount is estimated and an impairment loss is recognised if the carrying amount of an asset or Cash Generating Unit (CGU) exceeds its estimated recoverable amount in the Statement of Profit and Loss.

The Group's non-financial assets and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets that do not generate independent cash inflows are grouped together into CGUs. Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

g) Employee Benefits

(i) Short-term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

(ii) Provident Fund

Employees receive benefits from a provident fund, which is a defined contribution plan. Both the employee and the Group make monthly contributions to the Regional Provident Fund equal to a specified percentage of the covered employee's salary. The Group recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. The Group has no further obligations under the plan beyond its monthly contributions. The contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due and there are no other obligations other than the contribution payable.

(iii) Gratuity

The Group provides for gratuity in accordance with the Payment of Gratuity Act, 1972, a defined benefit retirement plan (the Plan) covering all employees. The plan, subject to the provisions of the above Act, provides a lump sum payment to eligible employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity Scheme is operated through Group gratuity Scheme of LIC. Gratuity liability is accrued and provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial period. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI.

(iv) Compensated Absences

The policy provides for that an employee is entitled to 24 days of earned leave per year and maximum of 30 days leave subject to availability of Annual Leave standing to the credit of the employee at any time during the year will be paid as leave salary calculated on the Gross component. The expenses on account thus arising are recognized in the profit and loss account.

Provision for long-term compensated absences is accrued and provided for on the basis of actuarial valuation made at the end of each financial period. The actuarial valuation is done as per projected unit credit method. Short-term encashment of accumulated leave balances are accounted for in the year in which the leave balances are credited to employees on actual basis.

IFCI Financial Services Limited

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees, unless otherwise stated)

ii) Provisions (other than for employee benefits) and Contingent Liabilities

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

Contingent Liabilities

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Group, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

i) Revenue Recognition

(i) Brokerage Income is recognized on the trade date of the transaction upon confirmation of the transactions by the exchanges.

(ii) Loan Syndication Fees are recognised when the right to receive the income is established.

(iii) Depository Services incomes are recognised on the basis of agreements entered into with clients and when the right to receive the income is established.

(iv) Insurance Commission from Agency business is booked upon actual receipt of commission from the principal.

(v) Commission from selling of mutual funds is accounted on receipt basis.

(vi) Recovery from bad debts written off is recognised as income on the basis of actual realisation from customers.

(vii) Dividends declared by the respective Companies till the close of the accounting period are accounted for as income when the right to receive the dividend is established.

(viii) Interest income from financial assets is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

(ix) Interest earned on loans against shares (financial asset) in case of NBFC is recognized based on the effective interest rate (EIR) method as per Ind AS 109 & 32.

(x) All other income are recognized on an accrual basis, when there is no uncertainty in the ultimate realization/ collection.

j) Income Tax

Income tax comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

IFCI Financial Services Limited

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees, unless otherwise stated)

k) Borrowing Costs

Borrowing costs are interest incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an qualifying asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

l) Earnings per Share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, excluding treasury shares

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

m) Cash and Cash Equivalents

Cash and cash equivalent comprise of cash on hand and at banks including short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. Other bank deposits which are not in the nature of cash and cash equivalents with a maturity period of more than three months are classified as bank balances other than cash and cash equivalents.

n) Bank balances other than Cash and Cash equivalents

Other bank deposits which are not in the nature of cash and cash equivalents with a maturity period of more than three months are classified as bank balances other than cash and cash equivalents.

Fixed Deposits with a maturity period of more than 12 Months are classified under Other financial asset (Non current)

A handwritten signature or mark in blue ink, consisting of several overlapping lines and loops.

Rights, preferences and restrictions attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets on winding up. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to his/her/its share of the paid-up equity share capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable has not been paid. Failure to pay any amount called up on shares may lead to their forfeiture.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts, in proportion to the number of equity shares held.

27 Employee Benefit Expenses

(i) Defined Contribution Plan

The Group has recognised an expense of ₹ 47,18,418 (Previous year ₹ 51,00,819/-) towards provident fund and other welfare funds.

(ii) Defined Benefit Plan - Compensated Absence

The Group has recognised an expense of ₹ 55,96,671/- during the year ended March 31, 2023 as per actuarial valuation report. The closing balance of compensated absence as at March 31, 2023 is ₹ 88,92,652/-.

(iii) Defined Benefit Plan - Gratuity

The Group has constituted The Employees Group Gratuity Fund under the Group Gratuity Assurance Scheme administered by the Life Insurance Corporation of India. The scheme provides for Lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each year of completed service or part thereof in excess of 6 months. Vesting occurs on completion of 5 years of service.

These defined benefit plans expose the Group to actuarial risks, such as longevity risk, interest rate risk and market (investment) risk.

A Reconciliation of Amounts in Balance Sheet

	For the period from April 01, 2022 to March 31, 2023	For the period from April 01, 2021 to March 31, 2022
Defined Benefit Obligation (DBO) at the end of period	1,43,02,574	1,03,58,657
Fair Value of Plan Assets at the end of period	1,43,02,136	1,50,53,442
Funded Status - (Surplus)/Deficit	438	(46,94,785)
Liability/(Asset) recognised in the Balance Sheet *	438	(46,94,785)

B Reconciliation of the Net Defined Benefit (Asset) Liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset) liability and its components.

Reconciliation of present value of defined benefit obligation

	For the period from April 01, 2022 to March 31, 2023	For the period from April 01, 2021 to March 31, 2022
Defined Benefit Obligation at the beginning of period	1,03,58,657	1,27,93,666
Benefits Paid	(27,25,117)	(13,70,689)
Current Service Cost	10,32,701	14,71,129
Interest Cost	7,36,493	8,86,509
Actuarial (gains)/losses recognised in other comprehensive income	48,99,840	(34,21,958)
Balance at the end of the year	1,43,02,574	1,03,58,657
Defined Benefit Obligation at the end of period	1,43,02,574	1,03,58,657

Reconciliation of fair value of Plan Asset

	For the period from April 01, 2022 to March 31, 2023	For the period from April 01, 2021 to March 31, 2022
Fair value of Plan Assets at the beginning of period	1,50,53,442	1,48,55,052
Interest Income	10,81,571	10,29,803
Actual Enterprise's Contribution	11,68,821	4,16,750
Actual Benefits Paid	(27,25,117)	(11,12,346)
Actuarial gains/(losses) recognised in other comprehensive income	(2,76,581)	(1,65,817)
Balance at the end of the year	1,43,02,136	1,50,53,442
Fair value of Plan Assets at the end of period	1,43,02,136	1,50,53,442

C i. Expense recognised in profit or loss

	March 31, 2023	March 31, 2022
Current Service Cost	10,32,701	14,71,129
Interest Cost	7,36,493	8,86,509
Expected Return on Plan Assets	(10,81,571)	(10,29,803)
	6,87,623	13,27,835

ii. Remeasurements recognised in other comprehensive income

	March 31, 2023	March 31, 2022
Amount recognised in OCI at the beginning of period	-	-
Actuarial loss (gain)/loss on Defined Benefit Obligation	48,99,840	(34,21,958)
Actuarial loss gain/(loss) on Plan Asset	(2,76,581)	(1,65,817)
	51,76,421	(32,56,141)

D Defined Benefit Obligation

Actuarial assumptions

Principal actuarial assumptions at the reporting date (expressed as weighted averages)

	March 31, 2023	March 31, 2022
Discount Rate #	7.20%	7.35%
Salary Escalation	3%	0% for next year and 3.00% thereafter

* In respect of IFCI Financial Services Limited ₹ 41,01,059/(Previous Year ₹ 20,57,185) is recognised as Net fair value of Plan Asset. In respect of IFIN Commodities Limited ₹ 6,53,042/(Previous Year ₹ 1,61,592) is recognised as Net fair value of Plan Asset. In respect of IFIN Securities Finance Limited ₹ 39,316/(Previous Year ₹ 2,04,074) is recognised as Net Defined Benefit Obligation for the year ended March 31, 2023.

In respect of IFIN Securities Finance Limited discount rate is 7.15 % p.a.

28 Financial Instruments - Fair values and risk management

A Accounting classifications and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in fair value hierarchy

March 31, 2023

	Amortised Cost	FVTPL	FVOCI	Total carrying amount
Financial assets				
Trade Receivables	1,77,61,277	-	-	1,77,61,277
Cash and Bank Balances	12,13,83,593	-	-	12,13,83,593
Bank balances other than Cash and Cash equivalents	31,03,63,044	-	-	31,03,63,044
Other Financial Assets	17,70,93,213	-	-	17,70,93,213
Investments	-	2,54,00,011	-	2,54,00,011
Loans	13,55,70,253	-	-	13,55,70,253
Total Financial assets	76,21,71,380	2,54,00,011	-	78,75,71,392
Financial liabilities				
Trade and Other Payables	16,34,22,354	-	-	16,34,22,354
Other Financial Liabilities	61,82,431	-	-	61,82,431
Total Financial liabilities	17,46,04,785	-	-	17,46,04,785

March 31, 2022

	Amortised Cost	FVTPL	FVOCI	Total carrying amount
Financial assets				
Trade Receivables	5,12,47,492	-	-	5,12,47,492
Cash and Bank Balances	14,64,92,498	-	-	14,64,92,498
Bank balances other than Cash and Cash equivalents	17,39,19,081	-	-	17,39,19,081
Other Financial Assets	35,75,97,599	-	-	35,75,97,599
Investments	-	10,22,03,092	-	10,22,03,092
Loans	8,30,53,258	-	-	8,30,53,258
Total Financial assets	81,23,09,928	10,22,03,092	-	91,45,13,021
Financial liabilities				
Trade and Other Payables	27,60,68,577	-	-	27,60,68,577
Other Financial Liabilities	58,71,968	-	-	58,71,968
Total Financial liabilities	28,19,40,545	-	-	28,19,40,545

- The fair value of investment (other than in subsidiary) is determined based on Level-1 input i.e. the price quoted in active market
- For all of the Group's assets and liabilities which are not carried at fair value, disclosure of fair value is not required, as the carrying amounts approximates the fair values.

B Financial risk management

The Group has exposure to the following risks arising from financial instruments:

- Credit risk (see (B)(ii));
- Liquidity risk (see (B)(iii)); and
- Market risk (see (B)(iv)).

i. Risk management framework

The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The board of directors along with the top management are responsible for developing and monitoring the Group's risk management policies.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Group's Board of Directors oversees how management monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group.

ii. Credit risk

Credit risk refer to the risk of default on its obligation by the counter party resulting in financial loss. Credit risk always managed by the Group by proper approvals. Group's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at the end of the reporting period, as summarised below:

	Carrying amount March 31, 2023	Carrying amount March 31, 2022
Trade Receivables	1,77,61,277	5,12,47,492
Other Financial Assets	17,70,93,213	35,75,97,599
Loans	13,55,70,253	8,30,53,258
	33,04,24,744	49,18,98,349

Credit risk on cash and cash equivalents is limited as we generally invest in deposits with banks with high credit ratings assigned by the credit rating agencies. Investments primarily include investment in liquid mutual fund units and investment in equity instruments.

(Handwritten signature)

IFCI Financial Services Limited
Notes to the Consolidated Financial Statements
(All amounts are in Indian Rupees, unless otherwise stated)

Trade Receivables

The Group applies expected credit loss (ECL) model for measurement and recognition of loss allowance for Trade receivables. It follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

As a practical expedient, the Company uses a provision matrix to measure lifetime ECL on its portfolio of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward-looking estimates. At each reporting date, the historically observed default rates and changes in the forward-looking estimates are updated. ECL allowance recognised (or reversed) during the period is recognised as income/ expense in the statement of profit and loss. The movement of Allowance for Expected Credit Loss are provided herein under:-

Reconciliation of Allowance for Expected Credit Loss:-

	March 31, 2023	March 31, 2022
Opening Balance	6,37,33,421	8,25,59,511
Created during the year	39,39,437	56,164
(Reversed) during the year	-	(1,88,82,254)
Closing Balance	6,76,69,875	6,37,33,421

Other Financial Assets

This balance is primarily constituted by deposit given to Stock exchange in relation to maintain minimum base capital requirement. The Group does not expect any losses from non-performance by these counter-parties.

Loans

Loans represents amount loaned by the Group against shares / margin funding and fully secured. The Group does not expect any losses.

iii. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The Group's principal sources of liquidity are cash and cash equivalents, the cash flow that is generated from operations. The Group believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

As of March 31, 2023, the Group had a working capital of ₹ 48,60,76,855/- including cash and bank balances of ₹ 12,13,83,993/-, Bank balances other than Cash and Cash equivalents of ₹ 31,03,63,044/- and current investments of ₹ 2,54,00,011/- . Further the promoter of the Group have also committed to support the Group for there current and future requirements.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

March 31, 2023

Financial liabilities	Carrying amount	Contractual cash flows		
		Total	upto 1 year	more than 1 year
Trade Payables	16,84,22,354	(16,84,22,354)	(16,84,22,354)	-
Other financial liabilities	61,82,431	(61,82,431)	(24,68,264)	(37,14,166)
	17,46,04,785	(17,46,04,785)	(17,08,90,618)	(37,14,166)

March 31, 2022

Financial liabilities	Carrying amount	Contractual cash flows		
		Total	upto 1 year	more than 1 year
Trade Payables	27,60,68,577	(27,60,68,577)	(27,60,68,577)	-
Other financial liabilities	58,71,968	(58,71,968)	(19,28,241)	(39,43,726)
	28,19,40,545	(28,19,40,545)	(27,79,96,818)	(39,43,726)

iv. Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

C Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Group. The primary objective of the Group's capital management is to maximise the shareholder value. The Group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. It sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments. The funding requirements are met through support from the Ultimate Holding Company. The Group monitors capital using a ratio of net debt to equity. For this purpose, net debt is defined as total liabilities, comprising interest-bearing loans and borrowings, trade payable, financial liabilities and other liabilities less cash and cash equivalents. Equity comprises all components of equity.

30 Segment Information

The Chief Operating Decision Maker (CODM) reviews the operation of the group in two segments :-
 - Broking and related service: Broking, Depository, Commission, valuation and other related services income
 - Finance and investing activities: Interest, Processing fees on loans and other income from investing and financing activities

The Group's operating segment are reflected based on principle business activities, the nature of service, the differing risk and returns, the organisational structure and the internal financial reporting system.

Segment revenue, profit, asset and liabilities have been accounted for on the basis of their relationship to the operating activities of the segment and amounts allocated on reasonable basis.

Particulars	For the year ended March 31, 2023				For the year ended March 31, 2022

34. The Group when applying Ind AS 116 to leases previously classified as operating leases, has used practical expedients for not recognising right-of-use assets and liabilities for leases of low value assets. As the leases of the Group are short term leases, the Group has charged the lease expense as a period cost in the Statement of Profit & Loss Account.

35 Statutory Reserve

As per Section 45-IC of the Reserve Bank of India Act, 1934, the Company is required to create a reserve fund at a rate of 20% of the net profit after tax of the Company every year. Considering the Profit after tax for the year ended 31 March 2023, Rs. 7,80,607/- is transferred to the statutory reserve as required under Section 45-IC of Reserve Bank of India (RBI) Act, 1934.

36. During the current year and the previous year, the Group has not earned any income nor spent any amount in foreign exchanges.

37. According to information available with the Management, on the basis of intimation received from suppliers regarding their status under the Micro, Medium and Small Enterprises Development Act, 2006 (MSMED Act), the group has no amounts due to Micro, Medium and Small Enterprises under the said act as at March 31, 2023.

Sl. No	Particulars	March 31, 2023	March 31, 2022
(a)	The principal amount remaining unpaid at the end of the period	-	-
(b)	The delayed payments of principal amount paid beyond the appointed date during the year	-	-
(c)	Interest actually paid under Section 16 of MSMED Act	-	-
(d)	Normal Interest due and payable during the year, for delayed payments, as per the agreed terms	-	-
(e)	Total interest accrued during the year and remaining unpaid	-	-

This information has been determined to the extent such parties have been identified on the basis of information available with the Group.

38. Previous year figures have been regrouped wherever necessary to confirm to the current year classification.

39. The Schedule III- Division II mandates to round off the figures to the nearest hundreds, thousands, lakhs or millions, or decimals thereof depending on the Total Income of the Group. However, the Group has opted to round off the figures to nearest rupees in the view better presentation and understanding of the users of the Financial Statements.

40. Third Party balances are subject to confirmations and reconciliations if any.

(Handwritten signature)

41 With respect to Subsidiary Company IFIN Securities Finance Limited, the outbreak of COVID-19 pandemic across the globe and in India has contributed to a significant decline and volatility in the global and Indian financial markets and slowdown in the economic activities. The Covid 19 post lockdown has not resulted in material decline in prices of listed / quoted equity shares & mutual funds and the loans against shares, mutual funds and margin funding portfolio have not witnessed a material decline in the underlying security value. As a result of the above, the company has created its Expected Credit loss (ECL) provisioning based on past history of the borrowers as applicable, and risk of credit default that may result due to likely stress in the financial position of our borrowers. Moreover, due to the uncertainties associated with the pandemic, the actual impact may not be in line with current estimates. The Company will continue to closely monitor any material changes to future economic conditions due to the impact of pandemic. Further, the impact assessment does not indicate any adverse impact on the ability of the company to continue as a going concern.

42 Other Notes

- a) The Group does not have any Benami property, where any proceeding has been initiated or pending against the Group for holding any Benami property.
- b) The Group has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets.
- c) The Group has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- d) Considering the information available with the Group, the Group does not have any transactions with companies struck off.
- e) There are no Scheme of Arrangements approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013 during the year.
- f) The Group has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding (whether recorded in writing or otherwise) that the Intermediary shall (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (Ultimate Beneficiaries) or (ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- g) The Group has also not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Group shall (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or (ii) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- h) The Group do not have any transaction which are not recorded in the books of accounts that has been surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 during any of the years.
- i) The Group has not traded or invested in Crypto currency or Virtual Currency during the financial year.
