Brief profile of Smt. Mahajan is set out in the "Information about Directors seeking appointment/re-appointment as mandated under Clause 49 of the Listing Agreement" which is annexed with the notice. Smt. Mahajan's background and rich experience in diverse field would be of considerable value to the Company. She shall be on the Board of the Company as Independent Director.

Your Directors recommend the Resolution for approval of the Members.

Smt. Mahajan is interested in the resolution as it relates to her appointment. None of the other Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested in the said Resolution.

All documents referred to in the resolution are open for inspection at the Registered Office of the Company on all working days except Saturdays, Sundays and Holidays between 11:00 A.M. to 1:00 P.M. upto the date of this Annual General Meeting.

Item No. 7

Shri Anurag Jain, Joint Secretary, Ministry of Finance, was nominated on the Board of the Company as Government Director w.e.f. January 4, 2013. Consequent upon the

resignation of Shri Atul Kumar Rai, the Board appointed Shri Anurag Jain as CEO & MD of the Company w.e.f. May 31, 2013 to hold office till further orders from the Board without any remuneration, in the interest of continuity and smooth running of the operations of the Company. As per the decision of the Board to appoint Shri Santosh B. Nayar as CEO & MD of the Company, Shri Anurag Jain handed over the charge of CEO & MD on July 15, 2013 (start of business) to Shri Nayar.

Brief profile of Shri Jain is set out in the "Information about Directors seeking appointment/re-appointment as mandated under Clause 49 of the Listing Agreement" which is annexed with the notice.

Your Directors recommend the Resolution for approval of the Members.

Shri Anurag Jain is interested in the resolution as it relates to his appointment. Shri Arvind Kumar is interested in the said resolution in his capacity of a Government Director on the Board of the Company. None of the other Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested in the Resolution.

Item No. 8

Brief profile of Shri Jha is set out in the "Information about Directors seeking appointment/re-appointment as mandated under Clause 49 of the Listing Agreement" which is annexed with the notice. Shri Jha has had a brilliant career in the civil service, both in India and abroad and distinguished himself as Finance Secretary, Government of India. His background and vast experience would be of great value to IFCI. Shri Jha shall be on the Board of the Company as Independent Director.

Your Directors recommend the Resolution for approval of the Members.

Shri Ashok Kumar Jha is interested in the resolution as it relates to his appointment. None of the other Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested in the said resolution.

All documents referred to in the resolution are open for inspection at the Registered Office of the Company on all working days except Saturdays, Sundays and Holidays between 11:00 A.M. to 1:00 P.M. upto the date of this Annual General Meeting.

Item No. 9

Shri Santosh B. Nayar, was appointed on the Board of the Company as an Additional Director and is designated as CEO & Managing Director of the Company for a period of three years w.e.f. July 15, 2013. Shri Nayar as an Additional Director, shall hold office upto the date of this Annual General Meeting.

The approval of Members is being sought for appointment of Shri Santosh B. Nayar, as CEO & Managing Director, not liable to retire by rotation, and payment of remuneration to him as set out in Resolution No. 9.

Brief profile of Shri Nayar is set out in the "Information about Directors seeking appointment/re-appointment as mandated under Clause 49 of the Listing Agreement" which is annexed with the notice.

Shri Nayar comes with an outstanding record of work in State Bank of India, where he acquired a very strong credit background and exposure to international banking. He had also established wide contacts with corporates in the country. This background should help IFCI in building a good credit base and improving its business.

This statement along with Resolution under Item No. 9 may be treated as an abstract pursuant to Section 302 of the Companies Act, 1956.

Your Directors recommend the Resolution for approval of the Members.

Shri Santosh B. Nayar is interested in the resolution as it relates to his appointment. None of the other Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested in the Resolution.

Dividend on Preference Shares (incl. Tax)	0*	0*
14. Balance carried to Balance Sheet	1,648	1,496

* ₹0.31 crore

Your Company's total income declined marginally by 3.2% to ₹2,759 crore in 2012-13 from ₹2,850 crore in 2011-12, mainly due to subdued fresh asset creation in an uncertain environment and downgrading of certain assets during the year. However, lower income was partly offset by reduction in cost of borrowings by 3.0% to ₹1,815 crore in 2012-13 from ₹1,871 crore in 2011-12, due to substantial downward revision in interest rates on existing bank loans and prepayment of certain high cost bank borrowings. Your Company also took steps for rationalization of overhead cost which resulted in a saving of ₹19 crore during 2012-13.

Dividend

Your Directors have recommended a dividend of ₹1/- per equity share, i.e. 10% of the face value of ₹10/- for the FY 2012-13. Further, dividend at the applicable rates aggregating to ₹0.31 crore (including corporate dividend tax) on Preference Shares, paid as interim dividend has been proposed by your Directors for your confirmation.

The dividend proposed by your Company does not exceed 10 percent of the paid up share capital. Thus, the amount to be transferred to reserves is nil as per the Companies (Transfer of Profits to Reserves) Rules, 1975.

Change in Ownership and Reconstitution of the Board

The most significant development in 2012-13 was the assumption by the Government of India of 55.57% (Currently 55.53%) equity holding in IFCI on December 20, 2012, thereby making it the majority stakeholder of the Company.

Since the last Annual General Meeting, the following changes occurred on the Board of IFCI:

S/Shri Prakash P. Mallya, Shilabhadra Banerjee, K. Raghuraman, Sujit Kumar Mandal, Vijay Kumar Chopra, Atul Ashok Galande, Vijendra Singh Jafa, S. Shabbeer Pasha, Rakesh Bharti Mittal, Chandan Bhattacharya and Prof. Shobhit Mahajan ceased to be Directors on the Board of the Company.

The Government of India nominated Shri Anurag Jain, Joint Secretary, Ministry of Finance, Department of Financial Services, New Delhi as Government Director. Shri Sanjeev Kumar Jindal, Director, Ministry of Finance, Department of Financial Services, New Delhi whose nomination was withdrawn by the Government of India was later re-nominated as Government Director on the Board of IFCI Ltd. However, on July 29, 2013 the Government of India nominated Shri Arvind Kumar, Joint Secretary, Ministry of Finance, Department of Financial Services, New Delhi as Government Director vice Shri Sanjeev Kumar Jindal.

Smt. Savita Mahajan was appointed as Additional Director on the Board of your Company w.e.f. February 12, 2013.

Shri Atul Kumar Rai ceased to be on Board of the Company and CEO & Managing Director w.e.f. May 31, 2013 and Shri Anurag Jain, Joint Secretary, Ministry of Finance, Department of Financial Services, was appointed as CEO & Managing Director of the Company w.e.f. May 31, 2013.

Subsequently, Shri Anurag Jain handed over the charge of CEO & MD to Shri Santosh B. Nayar, who was appointed as Additional Director and CEO & MD w.e.f. July 15, 2013.

Shri Ashok Kumar Jha was appointed as Additional Director on the Board w.e.f. July 15, 2013.

At this Annual General Meeting, Prof. Omprakash Mishra, is retiring by rotation and being eligible, has offered himself for re-appointment.

Directors' Responsibility Statement

Pursuant to the requirement under Section 217(2AA) of the Companies Act, 1956, with respect to Directors' Responsibility Statement, it is hereby confirmed:

- that in the preparation of annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

- (ii) that the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for the year under report;
- (iii) that the Directors have taken proper and sufficient care for the maintenance of adequate accounting records, in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) that the Directors have prepared the annual accounts for the year ended March 31, 2013 on a 'going concern basis'.

Auditors

M/s Ray & Ray, Chartered Accountants, the current Statutory Auditors of your Company shall hold office till this Annual General Meeting. Consequent on the change in the equity structure of your Company, henceforth, the Statutory Auditors of your Company shall be appointed by the Comptroller & Auditor General of India (CAG). CAG has appointed M/s Thakur Vaidyanath Aiyar & Co. (DE0016) and Andros & Co. (DE1122) as Joint Statutory Auditors for FY 2013-14.

MANAGEMENT DISCUSSION AND ANALYSIS

MACRO ECONOMIC ENVIRONMENT

(A) Global Developments and Outlook

The global economic environment continued to remain challenging in 2012-13, owing to economic slowdown in advanced and emerging economies. While a supportive policy environment in advanced countries prevented a crisis like situation, global growth remained sluggish with uncertainty hovering around about its revival. According to IMF, the world economic growth moderated to 3.2% in 2012 compared to 4.0% in 2011. Though the sovereign debt crisis in the Euro zone subsided to a great extent leading to improved confidence and financial conditions in 2012, economic activity remained weak due to subdued private demand and tighter lending conditions. In fact, the debt crisis induced several policy decisions in Europe including recapitalization of Greece, agreement on the single supervisory mechanism and the completion of the European Stability Mechanism which contained the financial stress of the Euro zone. However, the overall macro economic outlook for Europe remained weak with recessionary trend in some economies, which is likely to spill over to 2013.

Among all the major advanced economies, except for US and Japan, other economies experienced a slowdown in 2012 compared to 2011. The growth prospects in the US economy improved to some extent during 2012 due to pick up in credit demand and moderate recovery in house prices. Though this acceleration in private demand is likely to continue, the overall growth prospect for the US economy is expected to remain muted due to strong fiscal consolidation measures of the Government and a weak external environment. The Japanese economy, which registered a negative growth in 2011, showed some signs of recovery in 2012 due to quantitative easing, fiscal stimulus and structural reforms.

There was deceleration in growth in the emerging markets and developing economies during 2012, which can be attributed to slowdown in exports due to weak demand from key advanced economies and tightening of domestic policy.

Inflation remained subdued in advanced economies, whereas some developing economies witnessed a spurt in inflationary pressures in 2012, mainly due to high commodity prices including oil prices, which moderated towards the end of 2012. The outlook for global commodity prices during 2013 remains benign, with a further decline expected in metal and oil prices.

(B) Domestic Developments and Outlook

Economic activity in India moderated during 2012-13 and the slowdown was visible across all sectors. India's Gross Domestic Product (GDP) grew by 5.0% during 2012-13 as against 6.2% in 2011-12. The services sector registered a growth of 6.6% during 2012-13 compared to 8.2% in 2011-12. The industrial sector grew by 3.1% and agriculture sector by 1.8% during 2012-13 compared to a growth of 3.5% and 3.6% respectively in 2011-12. The deceleration in growth in the services sector, which has been the mainstay of high growth in recent years, dampened the overall growth to a great extent. While the agriculture sector growth during 2012-13 was dented by deficient rainfall that affected the kharif crop, the industrial and services sectors slowdown during the year can be ascribed to slacking external demand, weak business sentiment and relatively tight monetary policy measures aimed at containing inflation.

The WPI inflation remained relatively high for most part of 2012-13, moderating only towards the end of the financial year, mainly due to easing of manufacturing product inflation. The average headline inflation for 2012-13 was 7.4%, while the year-end inflation was marginally lower than 6.0%. However, the Consumer Price Inflation (CPI), in double digits at 10.4% in March 2013, was substantially higher, which underlines the persistence of high food inflation in the economy. The monetary and fiscal policy responses during 2012-13 were geared towards taming domestic inflationary pressures. However, with the Government's determination to contain fiscal deficit (Budgetary estimate at 4.8% of GDP for 2013-14) and moderation in inflationary pressures towards the end of 2012-13, the RBI's calibrated easing of policy measures has become more pronounced, aimed at stimulating growth in the economy.

During 2012-13, merchandise exports fell by 1.8% to \$300.6 billion from \$306.0 billion in 2011-12, while imports stood at \$491.5 billion compared with \$489.3 billion in the previous financial year leading to a high trade deficit of \$190.9 billion. The rupee also remained volatile and depreciated against the US Dollar, primarily due to external imbalances as the current account deficit (CAD) to GDP ratio reached 5.1% in 2012-13. However, the current account deficit is likely to fall in 2013-14 owing to moderation in global commodity prices of oil, gold and other metals.

Though 2012-13 was a challenging year for the Indian economy, a slow-paced recovery in economic activity is expected in 2013-14. The expected mild improvement in external demand coupled with fall in global commodity prices is expected to provide impetus to economic activity, while domestic fiscal consolidation together with moderation in headline inflation is expected to create policy space for the monetary policy to support growth. As per the latest report of the Prime Minister's Economic Advisory Council, though there are weaknesses in the economy, the decline in growth appears to have bottomed out and the economy is likely to grow by

6.4% during 2013-14, which will make India a significant out-performer in the global context.

INDUSTRY STRUCTURE AND DEVELOPMENT

Indian Non-Banking Finance Companies (NBFCs) faced a difficult economic environment during 2012-13 on account of slowdown in industrial growth and relatively high credit costs due to increased risk perception in the economy. In spite of RBI undertaking several steps to inject liquidity into the system through reduction in CRR by cumulative 75 basis points and Repo Rate by cumulative 100 basis points during the year, the credit growth of scheduled commercial banks declined to 13.9% during 2012-13 compared to 18.7% during 2011-12. Difficult operating environment also enhanced the stress on asset quality of the NBFCs.

During the year under report, NBFCs were affected by the following regulatory changes:

1. RBI in August 2012 put out the guidelines on securitization and direct assignment of assets by NBFCs. The most important stipulation in the guidelines was prohibition of credit enhancement by originator in direct assignment transactions. Other key stipulations were a minimum holding period (MHP) for obligators before off-loading the receivables and a minimum retention requirement (MRR) through tenure of the transaction. However, the above may not have any material impact on your Company.
2. RBI in July 2012 and October 2012 put out a policy on lending to priority sector by banks that excludes bank loans to NBFCs for priority sector lending and imposes restriction on bilateral assignments. This may not also have any impact on your Company.
3. RBI in December 2012 issued draft guidelines on Issues and Concerns of NBFC regulatory frame work, based on recommendations made by the Committee headed by Mrs. Usha Thorat. If implemented, these guidelines may impact the profitability and business models of NBFCs in early stages of its implementation. The key guidelines are listed below:
 - Tier I capital requirement increased to 10% from the current 7.5%, with certain exceptions where the same will be increased to 12%.
 - Asset classification and provisioning norms similar to those in banks are to be introduced in a phased manner.
 - NBFCs to cover any Asset Liability Maturity (ALM) mismatch in less than 30 days bucket with high quality liquid assets maturing within 30 days.
 - The following changes have been proposed to enhance corporate governance and disclosure standards of NBFCs:
 - (i) Prior approval from RBI for change in control, increase in shareholding by 25% or increase in capital in excess of paid up equity capital of the Company.
 - (ii) RBI approval for appointment of CEO for an NBFC with an asset size of more than ₹1000 crore.
 - (iii) NBFCs with asset sizes above ₹1,000 crore would have to include additional disclosures like capital adequacy, investments and provisions, movement of NPAs and provisions, details of securitisation transactions etc.

- Risk weights to be increased for capital market exposures for commercial real estate exposures.

INITIATIVES AND DEVELOPMENTS AT IFCI

During the year under report, in spite of the deteriorating and challenging economic and business environment, your Company continued to exhibit resilience.

IFCI's approach towards lending and investments was guided by maximization of return on investments, preservation of capital while ensuring adequate security cover, adequate risk containment and helping your Company achieve an appropriate trade off between returns and risk during the year under report.

Your Company, during the year under report, was quick to see the deterioration in the business outlook and being prone to a higher degree of risk than the financial intermediaries with stable sources of funds, it moderated the sanctions and disbursements during the year under report. Even though your Company curtailed the sanctions and disbursements for FY 2012-13, it continues to look for avenues for expanding its asset base and is keeping a close watch on macro economic environment and changing business outlook for short and medium term and will adjust its business plans accordingly.

During the year under report, Government of India increased its shareholding in your Company by converting optionally convertible debentures into equity shares, thereby making it the majority shareholder with a 55.53% equity stake in your Company. With this conversion, the Government of India has reposed faith in your Company and post conversion, the expanded equity base has enhanced your Company's ability to leverage and increase its asset base. Further increased shareholding by Government of India in your Company has also facilitated a downward revision of interest rates being charged by banks and financial institutions on funds borrowed by your Company.

The RBI issued revised guidelines for issue of banking licenses in February 2013 and the applications for new bank licenses were to be submitted by July 01, 2013. Your Company evaluated its strategy for foray into the Banking arena, with the assistance of a reputed Consultant. The Board approved to submit application to RBI under the Reserve Bank of India Guidelines for Licensing of New Banks in the Private Sector dated February 22, 2013 and the associated clarifications issued by RBI in this regard. The application was accordingly submitted with RBI.

Right to Information

Your Company has become a public authority under the Right to Information Act, 2005, due to majority equity holding of Government of India. In order to promote transparency and accountability in working, your Company has designated a Senior Associate Vice President in Head Office as Central Public Information Officer and all Regional Office Heads as Central Assistant Public Information Officers and General Manager as Appellate and Transparency Officer to attend to the RTI applications. During the year, your Company received 32 applications seeking information, which were disposed of as per the provisions of the RTI Act within the stipulated time.

Promotion of Rajbhasha

Your Company, in line with Government of India's policy, has set-up a Rajbhasha Department in December, 2012 to ensure compliance and implementation of the Official Language Policy of Government in all the offices of the Company. To promote the use of Hindi, Official Language Implementation Committee has been constituted

at Head Office and in all the Regional Offices. Quarterly meetings of Official Language Implementation Committee were held to review the progress of the use of Hindi. All the computers available with your Company have also been upgraded with unicode facility.

Employees Stock Option Scheme

With a view to aligning personal goals with organizational objectives enabling employees to participate in the ownership of the organization, IFCI had introduced Employee Stock Option Scheme in your Company in FY 2011-12. In FY 2012-13, the Committee of Directors on Employees Stock Options allotted equity shares to IFCI Stock Option Trust which would facilitate exercise of options under the Scheme.

Disclosures as required under Clause 12 of the SEBI (Employees Stock Option Scheme and Employees Stock Purchase Scheme) Guidelines, 1999 are annexed to this Report as Annexure-1.

Corporate Social Responsibility

As a responsible corporate citizen, it has been the vision of your Company to empower the community through socio-economic development of underprivileged and weaker sections. In its continued efforts to make a difference to the society at large, your Company continued to undertake Corporate Social Responsibilities (CSR) initiatives, with special focus on public health, education, environmental and micro-finance. Under this initiative, in FY 2012-13, your Company released an amount of ₹89.93 lakh towards various social activities including sponsoring the Delhi Half Marathon, continuation of Village Adoption Programme in Sonapat District (Haryana), undertaking new Village Adoption Programme of Neemkhera Village, Madhya Pradesh and Amal Agosh in Rajasthan, Sanitation awareness programme in Dakshin Dinajpur, West Bengal and Solar lighting and low cost sanitation in Japorigog and Ramching Sapori near Guwahati.

PERFORMANCE OF IFCI

Your Company continued its emphasis on retaining existing customers by providing customized financial products and simultaneously enlarging the customer base by adding new customers to its portfolio. During FY 2012-13, considering the maturity profile of its existing liabilities, IFCI sanctioned term loans for various maturities to meet the short term fund requirements of companies with excellent track record, for general corporate purpose, refinancing of high cost debt and capital expenditure for ongoing projects against adequate tangible security. Apart from fund based activity, your Company also extended its presence in non fund based activities including advisory services. The details of performance on various parameters are outlined below:

(a) Financial Performance

Your Company's profit before provisions at ₹829 crore for 2012-13 was only marginally lower than ₹845 crore for 2011-12. However, due to higher net provisions of ₹165 crore made against bad & doubtful assets in the current year as against net reversal of provisions of ₹113 crore in the previous year, profit before and after tax were lower at ₹664 crore and ₹451 crore respectively for the current year compared to ₹958 crore and ₹664 crore respectively for the previous year. The increase in provisions during the current year was the outcome of impact of economic slowdown on the business of your Company, giving rise to fresh NPAs as well as further slippages of a few substandard assets. As a result of this and also due to lower disbursements compared to recoveries from existing loans, the net loans and debentures in the standard asset category declined from ₹16,691 crore as on

March 31, 2012 to ₹12,853 crore as on March 31, 2013.

During the current year, ₹923 crore of optionally convertible debentures held by Government of India was converted into 92,30,00,000 equity shares of your Company at par after exercise of such right by the Government. Further, 11,99,904 equity shares were allotted to IFCI Employees Stock Option Trust in terms of the IFCI Employees Stock Option Scheme. As a result, the equity capital of your Company increased to ₹1,662 crore as on March 31, 2013, from ₹738 crore as on March 31, 2012 and the Government of India now holds 55.53% of the equity capital of your Company. The earning per share and book value per share reduced substantially in 2012-13 because of the conversion and decline in net profit. Key financial ratios viz. CRAR, debt-equity ratio and net worth as at March 31, 2013, however, improved compared to the positions as on March 31, 2012.

(b) Sanctions and Disbursements

During FY 2012-13 the total fund based sanctions were ₹2,192 crore as against ₹4,467 crore in the previous year, registering a decline of around 50.94%. Out of the above sanctions, an amount of ₹537 crore (24.50%) was by way of rupee term loan, ₹1,319 crore (60.19%) by way of corporate loan, ₹334 crore (15.24%) by way of debentures. The amount sanctioned towards equity was ₹1.63 crore (0.07%).

Total disbursements during FY 2012-13 amounted to ₹1,504 crore compared to ₹5,950 crore in the previous year, a drop of around 74.72%. Out of the disbursements during the year, ₹626 crore (41.63%) was by way of rupee term loan, ₹547 crore (36.40%) by way of corporate loan, ₹231 crore (15.36%) by way of debentures and ₹99.38 crore (6.61%) by way of equity and other investments

(c) Treasury, Investment and Forex Operations

Despite the year under report being the year with the highest FII inflows on the back of reform initiatives that included opening up of FDI in multi-brand retail, aviation and broadcasting and deferment of the implementation of GAAR, the year passed through an uncertain economic environment, both domestic and international, with GDP growth touching new lows and global environment continuing to be sluggish. In this scenario, your Company has been cautious in investing surplus funds with focus on safety while making every effort to ensure resourceful management of funds.

In rupee operations, the objective has been to manage the liquidity efficiently, undertaking minimum risk and maintaining minimum possible cash balance while ensuring availability of funds for daily requirement. With priority on safety, your Company invested more in safe instruments like Short Term Deposits (STDs) and Certificates of Deposits (CDs). Average surplus funds during the year was ₹2,755 crore and the annualized return on deployment of this was 9.17%, which fully covered the average cost of borrowing of your Company during the year. Your company registered an income of ₹254 crore from Fixed Income Money Market operations during FY 2012-13, as against ₹231 crore in the previous year.

The Foreign Currency (FC) operations were restricted to containing the exchange risks arising due to mismatch in the outstanding amount of FC assets and liabilities. The net mismatch position was invariably maintained at almost square position by covering the mismatches through forward contracts and currency futures, which ensured that your Company

remained unaffected by the high volatility in currency exchange fluctuations during the year under report. Your company also continued to keep a distance from any kind of exotic derivatives in equity/debt or foreign exchange market.

Considering the unpredictable market conditions, trading activities in equity were avoided during major part of the year. Your Company continued with the strategy of gradual disinvestment of slow moving/illiquid stocks and strengthening the portfolio through selective investment in liquid stocks and also utilized the inventory of listed stock for earning risk free income through Stock Lending and Borrowing Mechanism.

(d) Management of Non-Performing Assets

Your Company continued its efforts to aggressively exploit all channels available to reduce NPAs. Considerable success was achieved in the last few years by way of substantial recovery from the old cases of NPAs. As a result of the efforts the outstanding amount under NPAs has reduced. Accordingly, the same is also reflected in the reduced recovery of old cases as under:

Resolution Strategy	Amount (₹ crore)
One Time Settlement (OTS) & Guarantee Assignment	32.95
SARFA & ESI Act & Legal	43.41
TOTAL	76.36

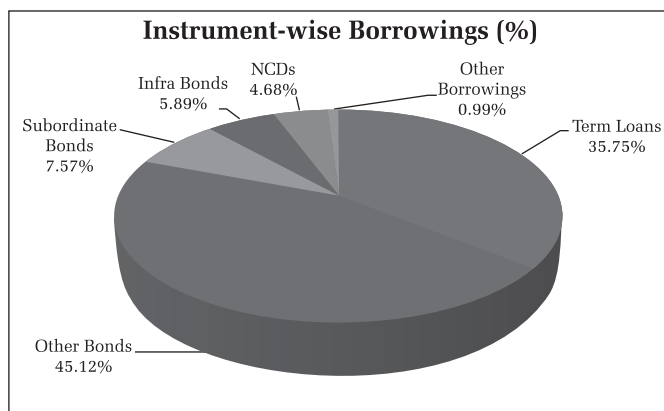

Moreover, innovative steps were taken during FY 2012-13 for resolution of NPAs particularly for cases where IFCI holds minority stake to resolve under the provisions of the SARFA & ESI Act, 2002. Efforts were also made to ensure that fresh NPAs are kept at a minimum possible level.

(e) Resource Mobilization

During the year under report, your Company arranged rupee resources aggregating ₹3,535 crore at competitive rates comprising term loans from Banks, private placement of Bonds and Commercial Papers. The private placement of bonds included ₹80 crore of subordinate bonds issued during the year to augment the Tier II capital of your Company.

The total borrowings of your Company stood at ₹17,968 crore as at March 31, 2013, which comprised of rupee and foreign currency borrowings of ₹17,439 crore and ₹529 crore respectively.

The broad instrument wise break-up of rupee borrowings outstanding as at March 31, 2013 is indicated below:

Investor service continued to be of utmost importance for your Company. Investors' grievances, received in physical or electronic form, were taken up promptly and redressed.

(f) Public Deposits

Your Company did not raise any public deposit during the year. There was no public deposit outstanding as at the beginning or end of the year ended on March 31, 2013.

(g) Segment-wise/Product-wise Performance

The Company operates in India and hence, it is considered to operate only in domestic segment. More than 90% of revenue for the Company comes from a single segment of financing. Accordingly, segment reporting as required under Accounting Standard-17, issued by the Institute of Chartered Accountants of India, is not applicable.

SUBSIDIARY COMPANIES THAT SYNERGIZED THEIR OPERATIONS WITH IFCI

(a) IFCI Infrastructure Development Ltd (IIDL)

IIDL has been promoted as a wholly owned subsidiary of IFCI Limited, for availing the opportunities available in the real estate and infrastructure sector. In a short span of five years from incorporation, the Company has successfully delivered the prestigious project of Serviced Apartments of international standards at Mayur Vihar, New Delhi which is being managed by Frasers Hospitality Pte Ltd. Another major project, named '21st Milestone' is in an advanced stage of completion at Meerut Road, Ghaziabad. The entire project is scheduled to be completed by the middle of 2014. Around 75% of the flats have been sold till date. Also, the construction of the project named "IIDL Aerie", which is located in the prime residential area of Panampilly Nagar in Kochi, is in full swing. The project has a mix of two and three bedrooms and is expected to be completed by December, 2014.

On the commercial side, spread over an area of 50 acres, a financial Hub, the first of its kind in South India, is coming up near Devanahalli Airport at Bengaluru. The land has been allotted by Karnataka Industrial Areas Development Board (KIADB) and IIDL has already allotted 33 acres of land to various Banks and Financial Institutions. IIDL has also undertaken construction of office complex at Bengaluru and Ahmedabad. In Bengaluru, the construction had been completed and in Ahmedabad, the construction is nearing completion.

Continuing the legacy of professionalism and integrity, inherited from IFCI, IIDL believes in delivering value by creating products and services to reap rich profits in the coming years, which would contribute significantly towards enhancing value of its shareholder i.e. IFCI.

(b) IFCI Venture Capital Funds Ltd (IFCI Venture)

IFCI Venture was set-up in 1975 by your Company with the objective to broaden entrepreneurs' base in India by providing risk capital mainly to first generation entrepreneurs under "Risk Capital Scheme". In 1988, IFCI Venture launched "Technology Finance & Development Scheme", to provide financial assistance for setting up projects aimed at commercialization of indigenous technologies. In 1991, IFCI Venture took up management of a Venture Capital Fund named VECAUS-III, floated by SUUTI and IFCI to promote high

profitability venture. The VECAUS-III fund was close ended in the year 2007 and portfolio companies were transferred to SUUTI.

In the year 2008, IFCI Venture undertook management of 3 new PE/VC funds viz., India Automotive Component Manufacturers Private Equity Fund-1-Domestic (IACM-1-D), Green India Venture Fund (GIVF) and India Enterprise Development Fund (IEDF) with an aggregate corpus of ₹512 crore. All the three funds focused on investments in mid sized companies involved in setting up niche business models in respective industry sectors with prospects of scalability. All the three funds were fully invested by 2012 and partial disinvestments have also started in these funds. Under the three funds, IFCI Venture has invested in 29 companies.

IFCI Venture is also registered with RBI as an NBFC and provides secured Corporate Loan to profit making mid-market companies in the range of ₹5-20 crore with security of shares of listed companies and/or mortgage of property. The company has a well defined credit policy for sanction of loans to its clients. As on March 31, 2013, IFCI Venture had a book-debt position of ₹416 crore financed by bonds and bank borrowings of ₹337 crore.

(c) IFCI Factors Ltd (IFL)

IFL continues to be a major provider of Factoring services in India. After registering a sizeable growth year on year in the business post its acquisition by IFCI Ltd, the company has been in a phase of consolidation since FY 2012-13 in the wake of adverse economic environment. The company having pioneered export factoring business in India achieved a record Export factoring business during FY 2012-13, the highest among Factoring companies in India. With India's share being a meager 0.17% of global factoring turnover during calendar year 2012, there is immense potential for factoring business to grow in India. Lack of conducive legal environment and appreciation of factoring as a significant working capital finance alternative by stake holders were major impediments in the orderly growth of factoring business in India. With the enactment of the Factoring legislation in 2012 and the initiative for setting up a Credit Guarantee Fund for factoring business announced in the Union Budget for FY 2013-14, Factoring business in India is poised to grow in future and augur well for IFL.

(d) IFCI Financial Services Ltd (IFIN)

IFIN was promoted in 1995, by IFCI Ltd, to provide a wide range of financial products and services to institutional and retail clients. IFIN is primarily involved in the business of Stock Broking, Currency Trading, Portfolio Management Services, Depository Participant Services, Merchant and Investment Banking, Insurance (Corporate agent for both life and General Insurance), Mutual Fund Products Distribution, IPO Distribution and Corporate Advisory Services.

(e) MPCON Ltd

MPCON Ltd is a professionally managed Technical Consultancy Organization promoted by your Company. Established in 1979, it is the premier consulting organization in Central India, and has consistently endeavoured to provide quality consulting services and created a niche market for itself. During FY 2012-13, MPCON expanded its operations in other

parts of India such as Jharkhand, West Bengal etc. It consolidated its project consultancy business and also enhanced its presence in the training and capacity building spheres. It bagged the tender floated by the Central Bank of India (Lead Bank of Madhya Pradesh) on behalf of consortium of Banks for further financial inclusion in the state of Madhya Pradesh and part of Chhatisgarh. Further, it has entered into strategic tie ups with likeminded institutions for expanding its business.

DEPARTMENTS AT IFCI

(A) Credit Appraisal, Monitoring and Industry Research

With a view to pitch in new business for IFCI, carry out quality appraisal and timely recovery in standard assets, a dedicated department viz. Credit Appraisal, Monitoring and Industry Research was created in your Company. The department deals inter-alia, with business development, credit appraisal of proposals, monitoring of existing standard cases of Delhi, Mumbai and Ahmedabad Regional Offices and need-based reliefs/concessions/restructuring of stressed accounts, besides carrying out studies of various sectors/industries in order to have a fair idea about the potential of the respective sector/industry. The department has undertaken analysis of various Companies during the period under review for pitching new business for IFCI. Further, the department has also undertaken comparative studies of various companies in the same industry in order to have in depth knowledge about their market standing. Also, the department carries out site visits of manufacturing facilities of industrial assisted concerns and also facilities/offices of other non-industrial assisted concerns. Such visits has enabled IFCI to establish cordial relations with various major players/industrial houses and also ensured effective monitoring of assisted concerns. The department also carries out site visits periodically of all the mortgaged properties and has undertaken valuation of the same through IFCI appointed valuers to ensure adequate security cover.

(B) Project Development Group (PDG)

PDG was established in FY 2008-09, as a part of IFCI's strategy to enter into infrastructure projects early in their life cycle, ensuring IFCI reasonable returns on investments. Over the period, it has developed strong relationships with India's leading infrastructure companies and is associated with them throughout the project development life cycle from inception to commissioning and thereafter nurturing the projects to realize returns. PDG, with its dedicated team of well qualified and experienced professionals, has developed invaluable insights into the technical, practical and financial aspects of the infrastructure sector in general and power generation and roads in particular.

During FY 2012-13, aligning to various external challenges facing infrastructure sector, the Group focused on consolidation of the investment portfolio from a value preservation standpoint. Simultaneously, it also achieved exits in some of the investments in power and road sectors with expected returns.

While keeping in view the current challenging environment in Indian infrastructure space, PDG intends to continue to consolidate existing investments and create new assets selectively in FY 2013-14.

(C) NPA Acquisition and Resolution

Your Company, while managing its own NPA portfolio and showing exemplary performance in terms of recovery out of NPAs, acquired expertise in this business segment. Making use of the said expertise and taking care of the regulatory framework and other advantageous factors, your Company floated a separate business vertical for acquisition of NPAs from Banks/ other FIs starting from FY 2008-09. The acquisitions were aimed at unlocking true worth out of the said NPAs for making profit at substantially higher level, as compared to profits generated out of the normal lending operations.

Till March 31, 2013, your Company had acquired 195 NPA accounts at a total consideration of ₹317.43 crore and recovered an aggregate amount of ₹352.55 crore (from 62 NPA accounts). Thus, the entire acquisition cost had already been recovered while the remaining 133 NPA accounts, where substantial recovery is expected, are still to be resolved. During FY 2012-13, your Company realized an aggregate amount of ₹76.80 crore from acquired NPAs and booked profit of ₹59.68 crore after recovering the entire acquisition cost in accordance with the RBI guidelines. Your Company will continue to give emphasis to the said business and ensure higher level of profits in future from this segment of business to maintain pre-eminent position in NPA acquisition business segment.

(D) Corporate Advisory Group

During FY 2012-13, the Group tried to diversify its activities to get into more lucrative and high value segments of financial and management consulting. As a sequel, currently, IFCI provides the entire gamut of Financial Advisory Services to clients across different sectors of the economy. Moreover, IFCI has managed to have a strong presence in the niche Bid Advisory segment, where only a handful of global consultants have the expertise to provide consultancy services for competitive tariff based Power Projects, Petroleum and Petroleum Products, Pipeline Projects etc. During FY 2012-13, IFCI also managed to create a space for itself in the extremely competitive as well as lucrative segment of advising Indian companies in overseas business transactions.

(E) Sugar Development Fund

Your Company has been acting as the nodal agency of the Government of India since the inception of the Sugar Development Fund (SDF) for the purpose of disbursement, follow-up and recovery of SDF loans for the purpose of modernization of sugar factories, setting-up of bagasse-based cogeneration projects, ethanol projects and cane development schemes. Cumulative sanctions and disbursements under SDF upto March 31, 2013 stood at ₹4,844 crore and ₹4,107 crore respectively. The agency commission booked for FY 2012-13 was of the order of ₹15.04 crore, against which an amount of ₹2.50 crore was received and the balance would be received in FY 2013-14.

In addition, IFCI carried out financial appraisals for SDF loans and contracted a fee of ₹1.43 crore, out of which a fee of ₹1.13 crore has been received during FY 2012-13.

(F) Human Resources

FY 2012-13 was a year of reflection, stock taking and consolidation in the sphere of Human Resource Management.

More focus was laid on effective utilisation of the human resource pool that was enriched by way of induction of fresh blood, training and development and other HR interventions over the past few years.

Your Company further enriched its manpower by appointing new professionals in various streams like IT, Legal, Treasury and Accounts.

The manpower strength of your Company as on March 31, 2013 was 229.

(G) Information Technology and Communications

Information Technology and Communications has played an important role in speeding up processing of proposals, creating of data bank of past cases, collecting industry-specific information and accessing such information through the network, effectively monitoring the progress of assisted projects or the health of the assisted units. The most noteworthy developments related to IT sector in your Company are:

IT Policy - The Information Technology Policy was revised to cater to the latest developments in Information Technology needs of your Company.

IT Applications/Automations:

- Centralization of Service Tax Accounting and its implementation at Head Office and all Regional Offices.
- Loan Accounting System further enhanced to capture the security details, Benchmark Rates, Floor Rate, Interest Reset Clause etc.
- Integration of Letter of Intent system with loan accounting system.
- Development of Bonds, Treasury Bills, G-Sec, CBLO, FD, Mutual Funds modules in the Integrated Treasury System.
- Enhancements in Sugar Development Fund (SDF) Accounting System and its rollout at all regional offices.
- Implementation of Biometric Attendance System at Head Office and its integration with Leave Management System.
- Tour Approval Process Automation.
- Redesign of Integrated Legal Monitoring System to cater enhanced needs.
- IFCI's website was revamped to comply with the WEB Content Accessibility Guidelines (WCAG) 2.0 Standards.

Further as part of the efforts to provide IT support to its Associates and Subsidiaries, the IT team of your Company implemented the Financial Accounting and Loan Accounting modules of Centralised Integrated Information System (CIIS) at IFCI Venture.

(H) Legal

On the legal activities front, your Company has been in compliance with all the statutory requirements in relation to sanction and disbursements of financial assistance to various borrowers. During FY 2012-13, your Company has done documentation in 42 cases disbursing ₹1,503.92 crore to 30 borrower concerns. Your Company has endeavored that where loans have been disbursed, the security is perfected and all statutory compliances have been met.

Your Company has also taken appropriate steps for initiation of legal action against defaulters and in defending the cases filed by or against IFCI.

RISK MANAGEMENT AT IFCI

(a) Risk Management and Concern

Financial intermediaries including IFCI are prone to losses associated with change in credit quality of borrowers and counterparties and are confronted with credit risks in its lending processes. This makes management, control and mitigation of these risks imperative for ensuring the successful functioning of such institutions. Realizing the dual importance of business and revenue growth while minimizing credit risks, your Company has incorporated robust credit risk management practices in its business model, which encompasses identification, assessment, measurement, monitoring and mitigation of credit risks in line with best practices prevailing in the industry.

In pursuance of RBI guidelines, necessary role centers have been created in the organizational structure to facilitate discharge of risk management functions, which include the Board of Directors, the Risk Management Committee of Directors (RMCD), the Risk Management Committee of Executives (RMCE) and the Credit Risk Management Department (CRMD).

The internal ratings framework at IFCI facilitates credit approval decisions, risk-based pricing, identification of loan problems and determination of default rate, recovery rate, portfolio management and capital allocation. The models have been installed at IFCI and adopted, at an organizational level, for rating proposals for fresh sanction as well as existing cases for portfolio monitoring purposes, and have become an integral part of credit assessment process. The internal ratings are periodically mapped with external ratings assigned by rating agencies to understand reasons for variation in the ratings assigned. Further, periodic migration analysis of rated exposures to observe the transition in ratings is also undertaken. The credit policy and risk management policy of your Company are reviewed periodically keeping in view the changing economic and business environment.

For the purpose of ensuring proper credit evaluation and monitoring standards, credit audit of standard exposures is carried out at regular intervals. The main objectives of the audit exercise include detection of weaknesses in outstanding exposures, initiation of timely corrective action, compliance with internal sanction and disbursement norms and follow-up and monitoring of cases which serves as a tool for top management to assess the quality of credit administration.

The market and liquidity risk is managed by the Asset Liability Committee of Executives (ALCO) through analysis of structural liquidity gaps and interest rate sensitivity positions and deployment of surplus funds by treasury besides approved limits and triggers for various types of deployment. The investment policy of your Company is reviewed periodically in the light of the prevalent market scenario. To manage the operational risks, there are adequate internal controls and systems in place aided and assisted by internal audit, remote back-up of data, disaster management policy and appropriate insurance.

Going forward, the risk management function at IFCI is expected to assume a more critical role, with emphasis on protection of asset quality in a challenging and dynamic credit environment given the continued macro economic headwinds. Your Company would continue to work on various initiatives aimed at strengthening credit risk standards, post sanction monitoring of the portfolio to mitigate any adverse impacts on the loan portfolio of your Company. Your Company would also strive to develop a strong culture for risk management and awareness within the organisation.

(b) Internal Control Systems

Your Company has in place adequate systems of Internal Control and Internal Audits are carried out, based on the scope approved by the Audit Committee of Directors (ACD). A 'Risk based Internal Audit' system has already been introduced, which has made the Internal Audit more focused and such reports are constantly reviewed by the ACD.

(c) Nominee Directors

Your Company appoints Nominee Directors on the Boards of assisted concerns following the long and well established practice of Institutions and Banks to monitor the performance of the companies where your Company has lent (or provided financial assistance). The underlying objective of making such appointment is to help build up professional management and facilitate effective functioning of the Board as well as formulation of proper corporate policies and strategies to improve productive efficiency and promote long term growth of the assisted companies, keeping in view the overall interest of the shareholders and financial institutions. The feedback received from Nominee Directors acts as a useful tool for credit monitoring. The system of Nominee Directors is functioning effectively in your Company.

Opportunities, Threats and Future Outlook

IFCI as an NBFC-ND-SI has developed an entire range of financial products including debt, equity, mezzanine instruments, equity related products, project development etc. of short, medium and long term duration. Your Company will continue to explore possibilities of new business opportunities in the form of creation of fresh assets, disinvestment including unlocking of unquoted shares, advisory services, sugar development fund, appraisals and syndications for generating higher fund based income, acquisition of NPAs and so on.

The Company shall also take exposure in real estate sector based on criteria as laid down. In order to improve the overall profitability and diversify in terms of product types, your Company will also look for takeover financing at negotiated rates with satisfactory return and tangible securities.

The weak outlook for the domestic economy is expected to continue which in turn will exert pressure on performance of your Company. The sectors in which your Company has major exposures include infrastructure, construction and real estate and the services sector that performed less satisfactorily during the year 2012-13. Being an NBFC, IFCI does not enjoy leverage of access to low cost funds and deceleration in growth and change in operating environment pose challenges to IFCI in terms of asset quality, growth and profitability.

However, the expected moderate upturn in domestic economic growth in 2013-14 and improvement in global economic climate are expected to ease some pressure on NBFCs and your Company.

Your Company shall continue to persue creation of fresh assets, project development activities by way of participating in debt/equity. This will result in ample opportunities in future in the form of appraisals, underwriting, syndication of debt, equity etc.

Compliance

Timely submission of various returns and data/information to RBI, SEBI and other regulatory bodies and the Government of India was complied with during 2012-13.

Cautionary Statement

Statements in Management Discussion and Analysis describing the Company's objectives, estimates and expectations may be 'forward looking' within the meaning of applicable laws and regulations. Actual results might differ materially from those expressed or implied.

Corporate Governance

A detailed report on Corporate Governance as stipulated under Clause 49 of the Listing Agreement, is attached to this Report.

Certificate from Statutory Auditors of the Company regarding compliance with the conditions of Corporate Governance as stipulated in Clause 49 of the Listing Agreement has been obtained and is annexed at the end of Corporate Governance Report.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF IFCI LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of IFCI Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in Sub-section (3C) of Section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required

by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Profit and Loss Account, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of Sub-section (4A) of Section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by Section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in Sub-Section (3C) of Section 211 of the Companies Act, 1956;

ANNEXURE TO THE AUDITORS' REPORT

For the annexure referred to in our report of even date to the Members of IFCI Ltd ("the Company") for the year ended on March 31, 2013; we report that:

- (i) (a) The Company has maintained proper records to show full particulars including quantitative details and situation of its fixed assets.
- (b) The fixed assets are being physically verified by the Management at all its offices in a phased manner at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) The Company did not dispose off any substantial part of fixed assets during the year that may affect the going concern.
- (ii) The nature of the Company's business/activities/transactions does not require it to hold inventories and as such Clause 4(ii) of the Companies (Auditors' Report) Order, 2003 ('Order') is not applicable.

- (iii) (a) The Company has not granted loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956.
- (b) In view of our comment in paragraph (iii)(a) above, Clauses (iii)(b), (iii)(c) and (iii)(d) of paragraph 4 of the aforesaid Order are not applicable.
- (c) The Company has not taken loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956.
- (d) In view of our comment in paragraph (iii)(e) above, Clauses (iii)(f) and (iii)(g) of paragraph 4 of the aforesaid Order are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business with

regard to purchase of inventories, fixed assets and with regard to the sale of services. Further during the course of our audit we have neither come across nor have we been informed of any instances indicative of major weaknesses in the aforesaid internal control procedures which would require corrective action.

- (v) (a) In our opinion, and according to the information and explanations given to us, there are no transactions that need to be entered into a Register maintained under Section 301 of the Companies Act, 1956.
- (b) In our opinion, and according to the information and explanations given to us, as there are no transactions that need to be entered into a Register maintained under Section 301 of the Companies Act, 1956, paragraph (v)(b) of the Order is not applicable.
- (vi) The Company has not accepted any deposits from the public during the year under Sections 58A, 58AA or any other relevant provisions of the Act. Further, during the course of our audit, we have neither come across nor have we been informed of any order passed under the aforesaid Sections by the National Company Law Tribunal during the year.
- (vii) In our opinion, the Company has an internal audit system commensurate with the size of the Company and nature of its business.
- (viii) In our opinion, Clause (viii) of paragraph 4 of the aforesaid Order is not applicable to the Company since the Central Government has not prescribed maintenance of cost records under Section 209 (1)(d) of the Companies Act, 1956 for the Company.
- (ix) (a) According to the books and records as produced before us and examined by us in accordance with generally accepted auditing practices in India and also the management's representation, we are of the opinion that the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Investor Education Protection Fund, Employees' State Insurance, Income Tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Cess and other statutory dues applicable to it. According to the information and explanations given to us, there are no undisputed amounts payable in respect of Income Tax, Wealth Tax, Service Tax, Sales Tax, Custom Duty and Excise Duty which were outstanding as at March 31, 2013 for a period of more than six months from the date they became payable.
- (b) According to the records of the Company, there are no dues of Sales Tax, Income Tax, Customs Duty, Wealth Tax, Service Tax, Excise Duty/Cess which have not been deposited on account of any dispute other than those indicated below:

* net of amount deposited under protest

stay order has been received against the amount disputed and not deposited

- (x) There are no accumulated losses and the Company has not incurred any cash losses during the financial year covered by our audit report and in the immediately preceding financial year.
- (xi) Based on our audit procedure and on the basis of the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions, banks or debenture holders.
- (xii) Based on our examination of documents and records, we are of the opinion that the Company has maintained adequate records where the Company has granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- (xiii) We are given to understand that the provisions of any special statute applicable to Chit Fund, Nidhi or Mutual Benefit Fund/Society are not applicable to the Company.
- (xiv) Based on our examination of the records, we are of the opinion that proper records have been maintained of the transactions and contracts in respect of the Company's dealing or trading in shares, debentures and other investments and timely entries have been made in those records. We also report that the Company has held the shares, securities, debentures and other investments in its own name except to the extent of the exemption, if any, granted under Section 49 of the Companies Act, 1956.
- (xv) The Company has given guarantees for loans taken by subsidiaries, joint venture companies from Banks and Financial Institutions. In our opinion and according to the information and explanations given to us, the terms and conditions of the guarantees are not prima facie prejudicial to the interests of the Company considering the relationship between the companies.
- (xvi) In our opinion and according to the information and explanations given to us, term loans availed by the Company were prima-facie applied by the Company during the year for the purpose for which they were obtained.
- (xvii) According to the information and explanations given to us and based on the overall examination of the Balance Sheet of the Company, funds raised on short term basis have prima-facie not been used for long term investment.
- (xviii) In our opinion and according to information and explanations given to us, the Company has not made any preferential allotment of shares to parties and companies covered in the register maintained under Section 301 of the Companies Act, 1956 during the year.
- (xix) Since the Company has not issued any debentures during the year, the question of creation of any security or charge does not arise.
- (xx) The Company has not raised any money by public issue during the year.
- (xxi) During the course of our examination of books of account carried out in accordance with generally accepted auditing practices, we have neither come across any instance of fraud on or by the management nor have we been informed of such case by the management.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2013

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Preparation of Financial Statements

The accompanying financial statements have been prepared on a historical cost convention, and conform in all material aspects to the Generally Accepted Accounting Principles in India which encompasses applicable accounting standards notified by the Companies (Accounting Standards) Rules, 2006, relevant provisions of the Companies Act 1956, the applicable guidelines issued by the Reserve Bank of India (RBI), other statutory provisions and regulatory framework. The Company adopts the accrual concept in the preparation of accounts. The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

1.2 Revenue Recognition

- (a) Interest and other dues are recognized on accrual basis except in the case of income on Non-Performing Assets (NPAs) which is recognized, as and when received, as per the prudential norms prescribed by the RBI.
- (b) Front-end fee, Premium on pre-payment of loans/reduction in interest rates and LC Commission are accounted for on realization basis.
- (c) Dividends declared by the respective companies till the close of the accounting period are accounted for as income, once the right to receive is established.
- (d) Rental on leased assets is accounted for from the commencement date, as prescribed in the lease agreement entered with the lessees. In respect of lease transactions commenced on/or before 31.03.2001, income from leases (except in case of Non-Performing Assets) is recognized on the basis of implicit rate in the lease to the net investment outstanding on the lease over the primary lease period.
- (e) The front-end fee/underwriting commission/commitment fee received in respect of devolvement of underwriting and direct subscription is reduced from the cost of related investments.
- (f) Surplus on sale of investments is net of losses thereon.

1.3 Investments

- (a) Investments are classified under two categories i.e. current and long term and are valued in accordance with the RBI Guidelines as applicable to Non-Banking Financial Companies (NBFCs) and Accounting Standard 13 on 'Accounting for Investments' as notified by the Companies (Accounting Standards) Rules, 2006.
 - (i) 'Long term Investments' are carried at acquisition cost. A provision is made for diminution other than temporary on an individual basis.
 - (ii) 'Current Investments' are carried at the lower of cost or fair value on an individual basis. However, appreciation, if any, within the category, is available for set off.
- (b) Security Receipts issued by an Asset Reconstruction Company (ARC)/Securitisation Company (SC) are valued in accordance with RBI guidelines. Accordingly, the net asset value obtained from the ARC is reckoned for valuation of such investments. Appreciation in the value, if any, is ignored and depreciation is provided for.
- (c) Bonds in the nature of current investment are valued in accordance with the calculators provided on the FIMMDA platform for the purpose.

1.4 Derivatives

- (a) Equity Index/Stock Futures and Currency Futures are marked to market on daily basis. Debit or Credit Balances disclosed under Current Assets or Current liabilities respectively represent the net amount paid or received on the basis of movement of prices in the Index/Stock Futures and Currency Futures till the Balance Sheet date. Equity Index/Stock Options are recognized in the books to the extent of premium paid.
- (b) As at the Balance Sheet date, the profit or loss on open positions are accounted for as follows:
 - The unrealized profit determined Scrip wise/Index wise, being anticipated profit, is ignored and no credit is taken in the profit and loss account.
 - The unrealized loss determined Scrip wise/Index wise, being anticipated loss, is recognized in the profit and loss account.
 - Equity Index/Stock Options are carried at cost where they are used as an instrument for hedging.
- (c) On final settlement or squaring-up of contracts for Equity Index/Stock Futures, the profit or loss is calculated as difference between settlement/squaring-up price and contract price. Accordingly, debit or credit balance pertaining to the settled/squared-up contract is recognized as profit or loss upon expiry/squaring-up of the contracts. When more than one contract in respect of the relevant series of Equity Index/Stock Futures contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using weighted average method for calculating profit/loss on squaring up.
- (d) Initial and additional margin paid over and above initial margin, for entering into contracts for Equity Index/Stock Futures, which are released on final settlement/squaring-up of underlying contracts, are disclosed under Current Assets.

1.5 Foreign Exchange Transactions

- (a) The expenses and income in foreign exchange transactions are accounted for at the rates prevailing on the date of transactions/at the forward rate, if booked, for such transaction.
- (b) Assets and liabilities held in foreign currencies and accrued income and expenditure in foreign currencies are translated into Indian Rupees at the rates advised by Foreign Exchange Dealers Association of India (FEDAI) prevailing towards the close of the accounting period. Gains/losses, if any, on valuation of various assets and liabilities are taken to Profit & Loss Account.

1.6 Tangible Fixed Assets and Depreciation

- (a) Fixed Assets are carried at cost (including capitalized interest) less accumulated depreciation and impairment loss, if any. Accumulated depreciation on assets in respect of lease transactions commenced on or before 31.03.2001 is adjusted for the balance in the 'Accumulated Lease Equalization Account'.
- (b) Depreciation on assets given on lease is provided on Straight Line Method (SLM) at the rates prescribed under Schedule XIV to the Companies Act, 1956 or over the primary period of lease of assets, whichever is higher.
- (c) Leasehold Land is amortized over the lease period.
- (d) Depreciation on increase in value of Leasehold Land & Building due to revaluation is provided on straight-line basis over the balance useful life of asset and adjusted out of revaluation reserve.
- (e) Leasehold Improvements are amortized over the lease period.
- (f) Mobile phones are fully depreciated in the year of acquisition itself.
- (g) Depreciation on all other assets is provided on the Written Down Value (WDV) method at the rates prescribed under Schedule XIV to the Companies Act, 1956 except in respect of Office Building and Plant & Machinery at Corporate Office which is provided on SLM. Assets having individual value of less than ₹5,000/- are charged to the Profit & Loss Account in the year of purchase.

1.7 Intangible Assets and Amortization

Intangible assets are recorded at the consideration paid for acquisition. Consideration includes all expenditure that can be directly attributed or allocated on a reasonable and consistent basis, to create, produce or making the asset ready for its intended use.

Intangible assets include computer software having perpetual license and are amortized @40% per annum on Written Down Value (WDV).

1.8 Impairment of Assets

Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amounts. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from sale of the asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of amortization/depreciation), had no impairment loss been recognized.

1.9 Provisions/Write off against Loans and Other Credit Facilities

- (a) All credit exposures are classified into performing and non-performing assets (NPAs) as per the RBI Guidelines. Further, NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by RBI. Provisions are made on standard, sub-standard and doubtful assets at rates prescribed by RBI. Loss assets and unsecured portion of doubtful assets are provided/written off as per the extant RBI guidelines. Additional provisions are made against specific non-performing assets over and above what is stated above, if in the opinion of the management, increased provisions are necessary.
- (b) For restructured/rescheduled assets, provision is made in accordance with the guidelines issued by RBI.
- (c) Recovery against debts written off/provided for is credited to revenue. Income is recognized where amounts are either recovered and/or adjusted against securities/properties or advances there-against or are considered recoverable in terms of RBI Guidelines.
- (d) Provision in respect of purchase and sale of NPAs is accounted as per guidelines prescribed by RBI.

1.10 Grants received from Government of India Under Interest Differential Fund (IDF)

Grants received from Government of India under Interest Differential Fund (IDF) is of a capital nature and to be utilized for specified purposes for promotional activities of Industrial Development. Accordingly, the money so received, net of expenditure for the approved purposes is shown under 'Reserves and Surplus' in the Balance Sheet. The amounts invested and loans made out of the fund for approved purposes are shown under 'Investments' and 'Loans' respectively.

1.11 Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

1.12 Leases

Lease arrangements where the risks and rewards incidental to the ownership of an asset vest substantially with the lessor are recognized as operating leases. Lease rent under operating leases are recognized in the Profit & Loss Statement with reference to the lease terms.

1.13 Miscellaneous Expenditure

- (a) Expenses on issue of Shares and Debentures are charged to Securities Premium Reserve in accordance with Section 78 of Companies Act, 1956.

- (b) Voluntary Retirement Scheme (VRS) expenses are charged off as and when incurred.

1.14 Employee Benefits

- (a) Monthly contributions to the Retirement Funds viz. Provident Fund and Pension Fund being in the nature of defined contribution is charged against revenue. The Provident Fund is administered through duly constituted and approved administrators. The administration of Pension Fund in respect of existing employees opting for the same has been entrusted by Trustees to Life Insurance Corporation of India (LIC) by entering into a Group Superannuation Cash Accumulation Scheme. The existing pension optees, however, continue to be governed by the provisions of the scheme in operation at the time of their retirement and are accordingly entitled to DA relief and family pension as and when due. The contribution made on account of same is charged to Accounts as and when due.
- (b) The Company has a defined benefit employees scheme in the form of Gratuity. The Trustees of the scheme have entrusted the administration of related fund to LIC. Expense for the year is determined on the basis of actuarial valuation of the Company's year-end obligation in this regard and the value of year end assets of the scheme. Contribution is deposited with LIC based on intimation received by the Company.
- (c) Provision for leave encashment is being made on actuarial valuation basis.
- (d) The Company has a post retirement medical benefit scheme for employees and their dependants subject to certain limits for hospitalization and normal medical treatment. The same is charged against revenue as and when incurred.

1.15 Employee Stock Option Plan

The Company has formulated Employee Stock Option Schemes (ESOS) in accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. The Schemes provide for grant of options to employees (including employees deputed in subsidiaries/associates/joint ventures) to acquire equity shares of the Company that vest in a graded manner and that are to be exercised within a specified period. In accordance with the SEBI Guidelines, the excess, if any, of the closing market price on the day prior to the grant of the options under ESOS over the exercise price is amortised on a straight-line basis over the vesting period.

1.16 Taxation

Tax Expense comprises of current & deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. Deferred Tax is recognized, subject to consideration of prudence, on timing differences, being difference between taxable income and accounting income/expenditure that originate in one period and are capable of reversal in one or more subsequent year(s). Deferred taxes are reviewed for their carrying values at each balance sheet date.

1.17 Provisions and Contingencies

Provisions are recognized when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed when the Company has a possible or present obligation where it is not probable that an outflow of resources will be required to settle it. Contingent assets are neither recognized nor disclosed.

Foot-notes:

- GoI had the option of converting the debentures, wholly or partly into fully paid equity shares of IFCI Limited, at par, at any time during the currency of debentures subject to compliance with provisions of SEBI guidelines, in respect of preferential allotment. GoI exercised the conversion option during the year and the Company has accordingly allotted 40 crore equity shares of ₹10/- each of IFCI Limited at par in favour of GoI in October, 2012.
- The bonds were originally guaranteed by GoI and subsequently rolled over for a period of 10 years from the respective due dates in line with the minutes of meetings of stakeholders, held on November 26 and December 2, 2002. However, there has not been any communication from GoI explicitly guaranteeing these bonds during the rolled over period.
- Put/Call Option applicable on ₹2,943.70 crore (Previous Year - ₹2,721.41 crore). Terms of repayment annexed.
- Loan from GoI was to be issued in the form of 0.1% Optionally Convertible Debentures redeemable on 28.03.2023 had a right of recompense on par with other stakeholders. During the year, OCDs of ₹523 crore were issued in favour of GoI as approved in the EGM of Company held on December 5, 2012. GoI having exercised the option of conversion during the current year, the Company has allotted 52.30 crore equity shares of ₹10 each of IFCI Ltd at par in favour of GoI in December, 2012.
- (a) Put/Call Option applicable on ₹315.00 crore (Previous Year - ₹465.00 crore).

26. Effect of Changes in Shareholding Pattern:

Through exercise of option of conversion by the Government of India, the Optionally Convertible Debentures of ₹400 crore held by GoI and Loan of ₹523 crore provided by GoI were converted into 92.30 crore equity shares of the Company at par through necessary approvals by the Board of Directors and the shareholders, during the year. Further during the year, vesting of 12 lakh equity shares was done under the IFCI Employees Stock Option Scheme and subsequently, these shares were allotted to the IFCI Employees Stock Option Trust. With these conversions and vesting under ESOP, paid-up equity share capital stands increased from ₹737.84 crore to ₹1,662.04 crore. Consequent upon such increase, the Central Government alongwith Corporations owned or controlled by the Central Government hold more than 51% of the paid up share capital of the Company. Accordingly, the provisions of Section 619B read with Section 619 of the Companies Act, 1956 with regard to audit of accounts have become applicable to the Company.

INDEPENDENT AUDITORS' REPORT

TO THE BOARD OF DIRECTORS OF IFCI LIMITED

We have audited the accompanying consolidated financial statements of IFCI Limited ("the Company") and its subsidiaries, which comprise the consolidated Balance Sheet as at March 31, 2013, and the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment

of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the consolidated Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the consolidated Profit and Loss Account, of the profit for the year ended on that date; and
- (c) in the case of the consolidated Cash Flow Statement, of the cash flows for the year ended on that date

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2013

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Preparation of Financial Statements

The accompanying financial statements have been prepared on a historical cost convention, and conform in all material aspects to the Generally Accepted Accounting Principles in India which encompasses applicable accounting standards notified by the Companies (Accounting Standards) Rules, 2006, relevant provisions of the Companies Act 1956, the applicable guidelines issued by the Reserve Bank of India (RBI), other statutory provisions and regulatory framework. The Company adopts the accrual concept in the preparation of accounts. The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

1.2 Revenue Recognition

- (a) Interest and other dues and Income from factoring services are recognized on accrual basis except in the case of income on Non-Performing Assets (NPAs) which is recognized, as and when received, as per the prudential norms prescribed by the RBI.
- (b) Front-end fees, Premium on pre-payment of loans/reduction in interest rates, LC Commission and Insurance Commission from Agency business are accounted for on realization basis.
- (c) Income from Merchant Banking/Loan Syndication Fees, Depository Services and Dividends are accounted for as income, once the right to receive is established.
- (d) Rental on leased assets is accounted for from the commencement date, as prescribed in the lease agreement entered with the lessees. In respect of lease transactions commenced on/or before 31.03.2001, income from leases (except in case of Non-Performing Assets) is recognized on the basis of implicit rate in the lease to the net investment outstanding on the lease over the primary lease period.
- (e) The front-end fees/underwriting commission/commitment fee received in respect of devolvement of underwriting and direct subscription is reduced from the cost of related investments.
- (f) Surplus on sale of investments is net of losses thereon.
- (g) Broking Income is recognised on the basis of settlement date of transactions.
- (h) Commission from selling of Mutual Funds, Fee income from Portfolio Management and advisory services and fees for project advisory and execution services is accounted for on accrual basis.
- (i) Units generated from windmills are sold to the Tamil Nadu Electricity Board (TNEB) at agreed rates and the income is included in the value of power generated from windmills.
- (j) Processing fee received in respect of loans is accounted for in the year in which the loan is disbursed.
- (k) Revenue from real estate development of constructed properties is recognised based on the "percentage of completion method". Sale consideration as per the legally enforceable Agreements to Sell entered into is recognised as revenue based on the percentage of actual project costs incurred to total estimated project cost, subject to following:
 - (i) Actual cost incurred is not less than 30 percent of the total estimated project cost.
 - (ii) No significant uncertainty exists regarding receipt of consideration from the customers.
 - (iii) In case of overdue, on actual realisation basis.
 - (iv) All significant risks and rewards are transferred to the customer.

Project cost includes cost of land, estimated cost of construction and development of such properties. The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates recognised in the period such changes are determined.

- (l) Revenue from hospitality services is recognised on accrual basis.
 - (i) Selling price is determined on the basis of published rack rate less discount offered to customers.
 - (ii) Income in foreign exchange: The bills for services rendered are raised in Indian Rupees. The payment received in foreign currency against these bills, is credited and accounted for at the rate/rates prevalent on the date of receipt of payment. The gains/losses arising out of the fluctuation in the exchange rates are accounted for on realization.
- (m) Revenue from external project services is recognised based on the Cost plus method. A fixed mark up percentage is added to the cost incurred towards construction and the total is recognised as revenue. The stage of completion is determined on the basis of work completion certificate obtained from the engineer/architect.
- (n) Revenue from sale of property held as stock-in-trade is recognised upon transfer of possession or execution is sale deed, whichever is earlier.
- (o) Income & Expenses on Project Consultancy, Entrepreneurship Development Trainings etc. under the Grants-In Aid (G.I.A)/similar other programmes awarded by the Central/State Govt. Department/Other Agencies are accounted for on pro-rata basis.

1.3 Stock-in-Trade

- (a) Inventory comprises of lands (with or without removable structure) incl. existing/added boundary walls, Land and Building/Residential Complex, Built-up floor space acquired/purchased for development and/or sale, other removable/disposable assets existing thereon. These are valued at lower of Cost or net realizable value. Costs are determined by adding all considerations/costs which are attributable to purchase/acquisition, and other expenses incurred specifically thereto.
- (b) Inventory of hospitality business comprises of consumables purchased. FIFO method is followed for ascertaining the cost price considered for valuation. Closing inventories are valued at cost or replacement value, whichever is less, after providing for obsolescence and damage.

1.4 Investments

- (a) Investments are classified under two categories i.e. current and long term and are valued in accordance with the RBI Guidelines as applicable to Non-Banking Financial Companies (NBFCs) and Accounting Standard 13 on 'Accounting for Investments' as notified by the Companies (Accounting Standards) Rules, 2006.
 - (i) 'Long term Investments' are carried at acquisition cost. A provision is made for diminution other than temporary on an individual basis.
 - (ii) 'Current Investments' are carried at the lower of cost or fair value on an individual basis. However, appreciation if any, within the category, is available for set off.
- (b) Security Receipts issued by an Asset Reconstruction Company (ARC)/Securitisation Company (SC) are valued in accordance with RBI guidelines. Accordingly, the net asset value obtained from the ARC is reckoned for valuation of such investments. Appreciation in the value, if any, is ignored and depreciation is provided for.
- (c) Bonds in the nature of current investment are valued in accordance with the calculators provided on the FIMMDA platform for the purpose.
- (d) In the case of IFCI Financial Services Ltd, current investments are considered as stock in trade and are valued at lower of cost or net realizable value.

1.5 Derivatives

- (a) Equity Index/Stock/Commodity/Currency Futures are marked to market on daily basis. Debit or Credit Balances disclosed under Current Assets or Current Liabilities

respectively represent the net amount paid or received on the basis of movement of prices in the Index/Stock Futures and Currency Futures till the Balance Sheet date. Equity Index/Stock Options are recognized in the books to the extent of premium paid.

- (b) As at the Balance Sheet date, the profit or loss on open positions are accounted for as follows:
- The unrealized profit determined Scrip wise/Index wise, being anticipated profit, is ignored and no credit is taken in the profit and loss account.
 - The unrealized loss determined Scrip wise/Index wise, being anticipated loss, is recognized in the profit and loss account.
 - Equity Index/Stock Options are carried at cost where they are used as an instrument for hedging.
- (c) On final settlement or squaring-up of contracts for Equity Index/Stock/Commodity/Currency Futures, the profit or loss is calculated as difference between settlement/squaring-up price and contract price. Accordingly, debit or credit balance pertaining to the settled/squared-up contract is recognized as profit or loss upon expiry/squaring-up of the contracts. When more than one contract in respect of the relevant series of Equity Index/Stock/Commodity/Currency Futures contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using weighted average method for calculating profit/loss on squaring up.
- (d) Initial and additional margin paid over and above initial margin, for entering into contracts for Equity Index/Stock Futures, which are released on final settlement/squaring-up of underlying contracts, are disclosed under Current Assets.

1.6 Foreign Exchange Transactions

- (a) The expenses and income in foreign exchange transactions are accounted for at the rates prevailing on the date of transactions/at the forward rate, if booked, for such transaction.
- (b) Assets and liabilities held in foreign currencies and accrued income and expenditure in foreign currencies are translated into Indian Rupees at the rates advised by Foreign Exchange Dealers Association of India (FEDAI) prevailing towards the close of the accounting period. Gains/losses, if any, on valuation of various assets and liabilities are taken to Profit & Loss Account.
- (c) Foreign currency balances pertaining to Hospitality Business have been converted at the closing TT buying rate at the year end.

1.7 Tangible Fixed Assets and Depreciation

- (a) Fixed Assets are carried at cost (including capitalized interest) less accumulated depreciation and impairment loss, if any. Accumulated depreciation on assets in respect of lease transactions commenced on or before 31.03.2001 is adjusted for the balance in the 'Accumulated Lease Equalization Account'.
- (b) Cost includes purchase price and all other attributable costs of bringing the assets to the working condition for intended use. Costs of self constructed fixed assets (including work-in-progress) comprise those costs that relate directly to the specific asset and those, which are attributable to the construction activity in general and can be allocated to the specific asset.
- (c) Depreciation on assets given on lease is provided on Straight Line Method (SLM) at the rates prescribed under Schedule XIV to the Companies Act, 1956 or over the primary period of lease of assets, whichever is higher.
- (d) Leasehold land is amortized over the lease period.
- (e) Depreciation on increase in value of Leasehold Land & Building due to revaluation is provided on straight-line basis over the balance useful life of asset and adjusted out of revaluation reserve.
- (f) Leasehold Improvements are amortized over the lease period.
- (g) Mobile phones are fully depreciated in the year of acquisition itself.
- (h) In the case of IFCI Factors Ltd, depreciation has been provided on the basis of straight line method as per Schedule XIV to the Companies Act, 1956.
- (i) Depreciation on all other assets is provided on the Written Down Value (WDV) method at the rates prescribed under Schedule XIV to the Companies Act, 1956 except in respect of Office Building and Plant & Machinery at Corporate Office of IFCI Ltd, which is provided on SLM. Assets having individual value of less than ₹5,000/- are charged to the Profit & Loss Account in the year of purchase.

1.8 Intangible Assets and Amortization

- (a) Intangible assets are recorded at the consideration paid for acquisition. Consideration includes all expenditure that can be directly attributed or allocated on a reasonable and consistent basis, to create, produce or making the asset ready for its intended use.
- Intangible assets include computer software having perpetual license and are amortized @40% per annum on Written Down Value (WDV). However, in the case of intangible assets consisting of Computer software with longer period utility/user rights and having a useful life lasting with that of the equipment have been capitalized with the cost of computer. Software carrying an identifiable utility of at least five years is amortized on a straight line basis over a period of five years from the date put into use. Software with limited edition/period utility i.e. requiring annual revision is charged to Profit and Loss Account in the year of purchase.
- (b) The consideration paid as non-compete fees is identified as an Intangible Asset and has been amortized as per terms of the agreement on straight line basis.

1.9 Impairment of Assets

Impairment loss is provided to the extent the carrying amount of assets exceeds their recoverable amounts. Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from sale of the asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to the extent of the carrying value of the asset that would have been determined (net of amortization/depreciation), had no impairment loss been recognized.

1.10 Provisions/Write off against Loans and Other Credit Facilities

- (a) All credit exposures are classified into performing and non-performing assets (NPAs) as per the RBI Guidelines. Further, NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by RBI. Provisions are made on standard, sub-standard and doubtful assets at rates prescribed by RBI. Loss assets and unsecured portion of doubtful assets are provided/written off as per the extant RBI guidelines. Additional provisions are made against specific non-performing assets over and above what is stated above, if in the opinion of the management, increased provisions are necessary.
- (b) For restructured/rescheduled assets, provision is made in accordance with the guidelines issued by RBI.
- (c) Recovery against debts written off/provided for is credited to revenue. Income is recognized where amounts are either recovered and/or adjusted against securities/properties or advances there-against or are considered recoverable in terms of RBI Guidelines.
- (d) Provision in respect of purchase and sale of NPAs is accounted as per guidelines prescribed by RBI.

1.11 Grants received from Government of India Under Interest Differential Fund (IDF)

Grants received from Government of India under Interest Differential Fund (IDF) is of a capital nature and to be utilized for specified purposes for promotional activities of Industrial Development. Accordingly, the money so received, net of expenditure for the approved purposes is shown under 'Reserves and Surplus' in the Balance Sheet. The amounts invested and loans made out of the fund for approved purposes are shown under 'Investments' and 'Loans' respectively.

1.12 Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets.

A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

1.13 Leases

Lease arrangements where the risks and rewards incidental to the ownership of an asset vest substantially with the lessor are recognized as operating leases. Lease rent under operating leases are recognized in the Profit & Loss Statement with reference to the lease terms.

1.14 Miscellaneous Expenditure

- Expenses on issue of Shares and Debentures are charged to Securities Premium Reserve in accordance with Section 78 of Companies Act, 1956.
- Voluntary Retirement Scheme (VRS) expenses are charged off as and when incurred.
- In the case of IFCI Infrastructure Development Ltd, pre-operative/preliminary expenditure incurred by the company is written off over a period of 5 years.

1.15 Employee Benefits

- Monthly contributions to the Retirement Funds viz. Provident Fund and Pension Fund being in the nature of defined contribution is charged against revenue. The Provident Fund is administered through duly constituted and approved administrators. The administration of Pension Fund in respect of existing employees opting for the same has been entrusted by Trustees to Life Insurance Corporation of India (LIC) by entering into a Group Superannuation Cash Accumulation Scheme. The existing pension optees, however, continue to be governed by the provisions of the scheme in operation at the time of their retirement and are accordingly entitled to DA relief and family pension as and when due. The contribution made on account of same is charged to Accounts as and when due.
- IFCI has a defined benefit employees scheme in the form of Gratuity. The Trustees of the scheme have entrusted the administration of related fund to LIC. Expense for the year is determined on the basis of actuarial valuation of the Company's year-end obligation in this regard and the value of year end assets of the scheme. Contribution is deposited with LIC based on intimation received by the Company.
- Provision for leave encashment is being made on actuarial valuation basis.
- IFCI has a post retirement medical benefit scheme for employees and their dependants subject to certain limits for hospitalization and normal medical treatment. The same is charged against revenue as and when incurred.

1.16 Employee Stock Option Plan

IFCI and IFCI Factors Ltd, have formulated Employee Stock Option Schemes (ESOS) in accordance with the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. The Schemes provide for grant of options to employees (including employees deputed in subsidiaries/associates/joint ventures) to acquire equity shares of the Company that vest in a graded manner and that are to be exercised within a specified period. In accordance with the SEBI Guidelines, the excess, if any, of the closing market price on the day prior to the grant of the options under ESOS over the exercise price is amortised on a straight-line basis over the vesting period.

1.17 Taxation

Tax Expense comprises of current & deferred income tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. Deferred Tax is recognized, subject to consideration of prudence, on timing differences, being difference between taxable income and accounting income/expenditure that originate in one period and are capable of reversal in one or more subsequent year(s). Deferred taxes are reviewed for their carrying values at each balance sheet date.

1.18 Provisions and Contingencies

Provisions are recognized when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed when the Company has a possible or present obligation where it is not probable that an outflow of resources will be required to settle it. Contingent assets are neither recognized nor disclosed.

Foot-notes:

- GoI had the option of converting the debentures, wholly or partly into fully paid equity shares of IFCI Limited, at par, at any time during the currency of debentures subject to compliance with provisions of SEBI guidelines, in respect of preferential allotment. GoI exercised the conversion option during the year and the Company has accordingly allotted 40 crore equity shares of ₹ 10 each of IFCI Limited at par in favour of GoI in October, 2012.
- The bonds were originally guaranteed by GoI and subsequently rolled over for a period of 10 years from the respective due dates in line with the minutes of meetings of stakeholders, held on November 26 and December 2, 2002. However, there has not been any communication from GoI explicitly guaranteeing these bonds during the rolled over period.
- Put/Call Option applicable on ₹ 2,943.70 crore (Previous Year - ₹ 2,721.41 crore).
- Loan from GoI was to be issued in the form of 0.1% Optionally Convertible Debentures redeemable on 28.03.2023 had a right of recompense on par with other stakeholders. During the year OCDs of ₹ 523 crore were issued in favour of GoI as approved in the EGM of Company held on December 5, 2012. GoI having exercised the option of conversion during the current year, the Company has allotted 52.30 crore equity shares of ₹ 10 each of IFCI Ltd at par in favour of GoI in December, 2012.
- Put/Call Option applicable on ₹ 315.00 crore (Previous Year - ₹ 465.00 crore).

27. Effect of changes in shareholding pattern:

Through exercise of option of conversion by the Government of India, the Optionally Convertible Debentures of ₹400 crore held by GoI and Loan of ₹523 crore provided by GoI were converted into 92.30 crore equity shares of the Company at par through necessary approvals by the Board of Directors and the shareholders, during the year. Further during the year, vesting of 12 lakh equity shares was done under the IFCI Employees Stock Option Scheme and subsequently, these shares were allotted to the IFCI Employees Stock Option Trust. With these conversions and vesting under ESOP, paid-up equity share capital stands increased from ₹737.84 crore to ₹1,662.04 crore. Consequent upon such increase, the Central Government alongwith Corporations owned or controlled by the Central Government hold more than 51% of the paid up share capital of the company. Accordingly, the provisions of Section 619B read with Section 619 of the Companies Act, 1956 with regard to audit of accounts have become applicable to the company.
