IFCI Ltd,
New Delhi

DD 4-06-2024

Ser The following information is sought on the undersigned:

- i) In the Board Memorandum dated 7-3-2018, while presenting my case to the Board, then then ED Shri V.S.V. Rao and GM (HR) have stated in para 2 on page 4 that in the termination(?) order the competent authority debarred him from payment of Pension, Leave Encashment and performance linked incentives.
- ii) A copy of the said order may be provided.
- iii) At the hearing held on 26-7-2016, IFCI did not provide any such report to Smt. Manjula Parashar, CIC - the reasons for not disclosing the position reported in i) above
- iv) IFCI's Board on 12-6-2008 observed that this was not a case of termination. This makes the concealment or disclosure additional probative and intended.
- v) Pl. also state whether IFCI has become sure of an earlier review at the age of 50 mentioned to CIC in minutes 26-7-2016, as then it was not sure. (only 4 years or so earlier)
- vi) Last ^{whether} interest paid by IFCI on PF and gratuity released from 31-7-2007 to the date of payment
- vii) Reasons for IFCI not providing the IFCS Act 1948 to the solicitors engaged by them on Pension, as mentioned by the solicitors, in the opinion obtained by IFCI

Thanking you.
