Text of RTI First Appeal (आरटीआई प्रथम अपील का पाठ) :	<p>The following appeal is preferred against the disposal of the above RTI Application by the CPIO, IFCI</p> <ol style="list-style-type: none"> 1. It is admitted that there was an inadvertent miss of furnishing my name in the RTI Online Application. 2. The CPIO could have still acted on the said application based on my Mobile Number and email id. 3. The CPIO could have ascertained the name by sending a text message 	

or email or by calling the Applicant.

4. As the CPIO can only hide behind technicalities, he has disposed of the Application in the manner he did.

5,. The disposal of the Application has at last given me hope that the CPIO began to apply his mind which was Missing in many of the disposals made earlier. I need not repeat the same earlier as you in your capacity as the First appellate Authority has ordered re examination of the issues in several RTI Applications. This itself speaks of the abundance of the knowledge and wisdom of the CPIO IFCI in the operation of the RTI Act.

Though I have filed one more application by giving my name to satisfy the CPIO, I humbly request the first Appellate Authority to pass appropriate directions to the CPIO for handling situation in future if similar circumstances arise.
